IN THIS ISSUE: As Seen on TV

AS SEEN ON TV

Back in the '50s and '60s, comic books based on popular TV shows were all the rage. Covering every genre, TV Comics were everywhere. Today, we're smack-dab in the midst of a TV neo-Golden Age, with programs eating up people's time and DVR memories with their engrossing storylines and characters. Many of today's top shows — and even some popular shows of yesteryear — can be found in your local comics shop, and our AS SEEN ON TV month hopes to bring them to your attention! NO DVR required!

THE GREEN HORNET
An attempt to capture a visiting Prince brings The Green Hornet and Kato into THE COUNTERFEIT AFFAIR!
The MUNSTERS
They're just an average suburban family, but they sure keep the neighbors in a stew!
THE MAN FROM U.N.C.L.E.
SPIES! GUNS! INTRIGUE!

FLIPSIDE: Return to Tube Land!

In the 1950's and 1960's, no one did TV comics better than Dell and Gold Key. Between them, they adapted hundreds of TV series, both live-action and animated, and we've got a selection of classic covers to feed your need for classic TV comics nostalgia!

editor's NOTE

EDITOR'S *note* **People Who Know Your World** **EDITOR'S** *note*

MY DVR HATES SUNDAY NIGHT!

EDITOR'S *note*

These days, it's getting tougher and tougher to keep up with all of the TV shows I like… and my DVR is always pretty full (it typically hovers around 55% full). And I don't think I have to tell you guys that SUNDAY night is the absolute worst for scheduling recordings. I've got stuff on HBO, Showtime, AMC, TNT, [adult swim] and other channels, all vying for a timeslot. It's enough to drive one mad. It's a great time to be a fan of TV, which makes our AS SEEN ON TV theme for the month all the better! Not since the '60s has there been such a wealth of comic books based on TV shows… it boggles the imagination — *Adventure Time*, *The Flash*, *Arrow*, *Buffy*, *The X-Files*, *G.I. Joe*, *Transformers*, *Masters of the Universe*, *Batman '66*, *Sesame Street*, *Star Trek*, *Gotham*, *My Little Pony*, *Angel*, *The Strain*, *Agents of S.H.I.E.L.D.*, and many, many more — it's like getting bonus episodes of your favorite shows!

Over on the *FlipSide* of this issue I have gathered together a selection of classic Dell and Gold Key TV series covers. These two publishers had the market cornered on licensed TV properties in comics back then, and although their interiors weren't always the best, their covers (which often did not reflect the issue's content) were always colorful and well-designed (I'm looking at YOU Gold Key!).

Also in this issue, J.C. Vaughn of Gemstone Publishing interviews DC Comics legend Paul Levitz about his brand-new book for Abrams ComicArts, *Will Eisner: Champion of the Graphic Novel*. The interview presented here is an excerpt from a larger, more in-depth piece which, if you care to check it out, can be found online at ***PREVIEWS***world*.com*!

Finally, I just want to thank all the folks who showed up at our ***PREVIEWS*** Panel this year at the San Diego Comic Con. We had a decent turn out, and a bunch of fans left with some great prizes like statues, action figures and omnibus editions of popular comics. Nobody left empty-handed, as we passed out complimentary copies of the new issue… but here's hoping you were one of our lucky winners!

Man, I can't believe summer is almost over… it goes by so quickly now. But I had a great visit with my family (and celebrated my mom's birthday) this summer, and Comic Con was a blast too — everything just went *right*… from scoring all of the exclusives I wanted, getting into Hall H on the best day ever (*Walking Dead*, *Game of Thrones* AND *Star Wars*!), and spending some great evenings drinking beers with my good friends. It was probably the best experience I'd had at Comic Con in a long time.

I hope *your* summer was filled with great moments and family fun too. I'll talk at ya' next month!

OCELOT

SRP: $129.99 Release: NOV 2015

Revolver Ocelot, the longtime rival of the protagonist Snake, has been reproduced as a Play Arts KAI! His favorite hobby is watching Spaghetti Westerns, and to match that gun-slinging image he carries two revolvers which can be holstered in this figure.
In METAL GEAR SOLID V: THE PHANTOM PAIN he also appears with spurs on his boots, another nod to his passion.

When rendering this figure, the artists were careful to reproduce the color and texture of the leather on his coat and gloves realistically. As with all the figures produced in the METAL GEAR SOLID V series, softer plastic was used around the jointing to create increased flexibility and poseability.

This figure's accessories include his two revolvers, exchangeable hand parts so that he can hold his guns, and exchangeable head parts (so he can be shown with his sunglasses either on or off).
This figure is one that can truly recreate any moment! Display stand included.

PREVIEWS is part magazine, part catalog—a "mag-a-log" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings to easy-to-understand sections: Comics & Graphic Novels; Books; Magazines; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is is easy! There are **3** simple ways to order:

1 **Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.

2 **Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic shop by the due date on the cover!

3 **Ask your retailer about their "Pull & Hold" service.**
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month

The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

SPOTLIGHT ON

Spotlight On

These items are not to be missed; highlighted to get your attention.

Previews Exclusive

These are items available only through *PREVIEWS*! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, *PREVIEWS* features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool

Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick

This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month

These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)

These items have been previously offered before in *PREVIEWS* and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.

Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Item is expected to ship within 30 days of the EST SHIP DATE.
1 = Item is expected to ship within 60 days of the EST SHIP DATE.
2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

CHRISTOPHER *hastings* **CHRISTOPHER** *hastings* **CHRISTOPHER** *hastings* **CHRISTOPHER** *hastings*

This month's featured creator is... CHRISTOPHER HASTINGS

Christopher, please tell us a bit about yourself!

I'm the creator of ***The Adventures of Dr. McNinja***, a long-running webcomic with collections published by Dark Horse, and I'm currently writing the *Adventure Time* ongoing series with BOOM! I live in Brooklyn with my wife, Carly Monardo, and dog, Commissioner Gordon.

I've been writing and drawing *Dr. McNinja* for 10 years now, and I'm quite proud of how far it's come. The first comics were literally homework assignments I did in art school. It was the first opportunity I got to say, *"Oh, comics can be funny, and can still have muscly people hit each other too."* It's a very indulgent mix of the jokes I want to write, and the explosions I want to draw.

What are your favorite projects you've contributed to over the past decade?

I wrote *Longshot Saves the Marvel Universe*, and a smattering of *Deadpool* comics.

What are you currently working on?

I'm still working on *Dr. McNinja*, but it's the last story, so I'm looking to wrap up all the loose ends, and go bonkers on an appropriately fun and exciting finale! I'm also writing the *Adventure Time* ongoing with Zachary Sterling on art. It's a real privilege to get to watch the show and say, *"Oh, it would be neat if X element got explored a little bit further. Oh. That's MY job. Cool, I will do that. Peppermint Butler has a spy agency and King of Ooo runs a pyramid scheme with a kingdom of bears! IT IS DECIDED."*

What fun titles are you reading?

Giant Days (*Vol. 1—AUG151215*): John Allison has been writing and drawing stories in his whimsical and mysterious alternate universe "Great Britain" since roughly 1870, which is impressive because to look at him, he is clearly a 16-year-old boy. I suspect he has one of those magical "youth portraits" in his attic somewhere. Artist Lissa Treiman breathes a whole new life into the hilarious and lovable characters with an expressiveness that sends me into a rage of envy.

THE
MIDAS
FLESH

The Midas Flesh (*Vol. 1—OCT141163*): What's the logical conclusion to the story of King Midas? Why, every molecule on Earth is turned to gold, and thousands of years later, the recovered remains of King Midas threaten life across the galaxy as a weapon of mass destruction. AND IT'S FUNNY, TOO. Ryan North, Shelli Paroline, and Braden Lamb have been a collaborative force for good since they originally were together on Adventure Time, and it's awesome to see them do their own thing just as well!

THE GREAT
OUTDOOR
FIGHT
CHRIS ONSTAD

Achewood (*Vol. 1—MAY080062*): Achewood is the funniest thing I've ever read (sorry, other books I just mentioned)! The collections are available from Dark Horse, and you should read them — or live your life in a slightly grayer world. I miss Chris Onstad's comics on a regular basis, but honestly he did more than we deserve in these books, and he should be able to retire in peace if that's what he wants.

They said it in tweets...

Skottie Young @skottieyoung
This probably sounds silly, but before the Internet the Previews catalog was my internet. I looked thru every page of it like an art book.

Dan Jurgens @thedanjurgens
How did anyone ever make comics without all those websites that now tell everyone how to make comics?

Agnes Garbowska @AgnesGarbowska
So I'm learning I'm really liking drawing Jetta from Jem and the Holograms. Her long hair is really fun.

Terry Moore @TerryMooreArt
I got a fan letter today... a real fan letter!
IN THE MAIL! I think it's my 1st one in this century.
Last century I got lots.

Jason Latour @jasonlatour
Pulled pork on pizza. Because Southern.

Neil Gaiman @neilhimself
Knocking off for the night. It's weird sometimes working on something no one knows about yet, or will see for another 16 months.

Ryan Reynolds @VancityReynolds
Next time you're grocery shopping, imagine David Attenborough narrating. It really next-levels the whole thing.

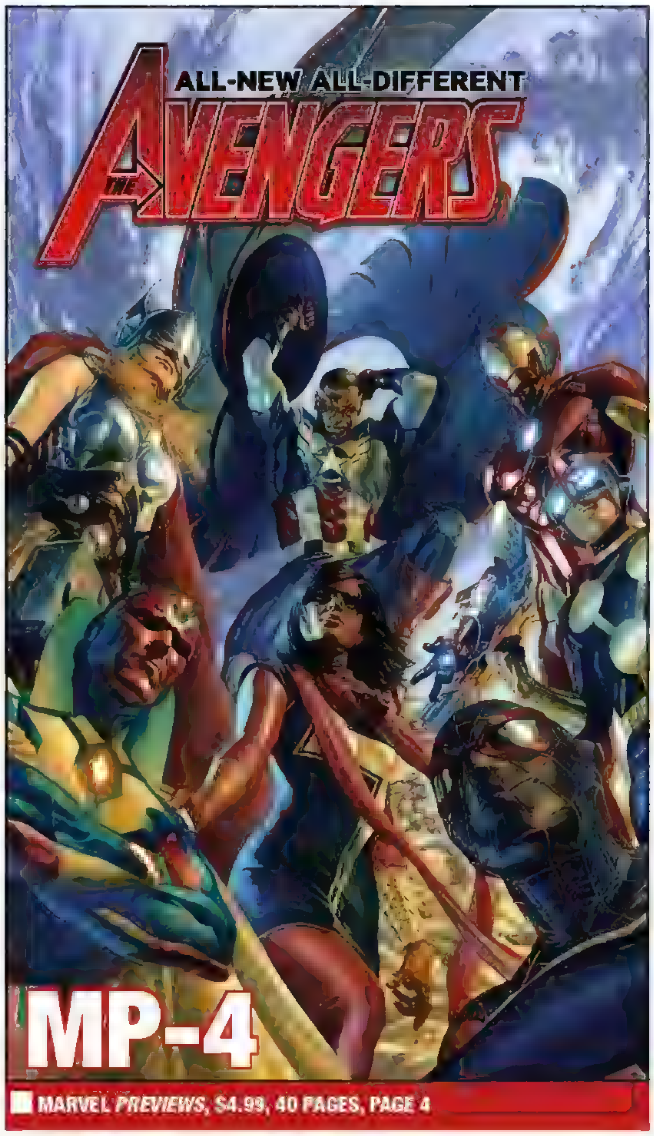
A NEW ERA DAWNS IN MARVEL'S *ALL-NEW ALL-DIFFERENT AVENGERS*



MP-4

MARVEL *PREVIEWS*, $4.99, 40 PAGES, PAGE 4

When Earth has faced its darkest hour, the Avengers have always been there. But the Avengers are no more, and its most celebrated members — Captain America, Iron Man, Thor, and the Vision among them — have gone their separate ways. But when Earth is threatened, a new team of heroes will come together and face the challenge in Marvel Comics' *All-New All-Different Avengers* #1!

An invasion from the stars is too much for any one hero to handle, and a new and unexpected group of heroes will find themselves fighting for a single cause — Earth's defense — as a brand-new Avengers team! Captain America (Sam Wilson), Thor (Jane Foster), Iron Man, and the Vision will work alongside the next generation of Marvel heroes — Nova (Sam Alexander), Ms. Marvel (Kamala Khan), and Spider-Man (Miles Morales) — to do what the Avengers do best, being Earth's Mightiest Heroes!

In addition to its all-star cast, Marvel has assembled an all-star creative team for the *All-New All-Different Avengers!* Fresh from his acclaimed run on *Daredevil*, writer Mark Waid is joined by Adam Kubert (*Amazing Spider-Man: Renew Your Vows*) and Mahmud Asrar (*All-New X-Men*) for an action-packed adventure that will keep readers on the edge of their seats!

A new era dawns for the Avengers in Waid, Kubert, and Asrar's *All-New All-Different Avengers* #1, and it comes your way this November from Marvel Comics!

ENTER THE WORLD OF *CALL OF DUTY: BLACK OPS III* IN A NEW MINI-SERIES

For over a decade, Activision's Call of Duty video games have set the standard for military and tactical shooters. This November, the latest game in the series, Call of Duty: Black Ops III, releases for all current-gen consoles, and Dark Horse Comics brings this fan-favorite series to comics with the official prequel to the game!

Fifty years in the future, open warfare has been almost completely eradicated thanks to the development of impenetrable air defenses. But countries still vie against countries, and military action has turned to small, covert teams, equipped with the best equipment, operating on their own in some of the world's darkest corners. In the seedy streets of Tashkent, Uzbekistan, an elite Black Ops will soon discover that their latest mission has wider implications!

Legendary G.I. Joe creator Larry Hama is joined by artist Marcelo Ferreira to introduce readers to the future of warfare in Dark Horse's Call of Duty: Black Ops III, a six-issue mini-series that fleshes out the future world of the game and introduces readers to the game's characters. Look for the first issue this November, then play Activision's highly-anticipated game!

IMAGE COMICS UNLEASHED TWO GRITTY NEW FANTASIES THIS NOVEMBER

This November, Image launches two gritty — yet radically different — fantasies from some of comics' top creators. First, Jason Aaron (*Southern Bastards*) teams with R.M. Guera and Giulia Brusco for the Biblical epic *The Goddammned*, then Marjorie Liu (*Black Widow*) and Sana Takeda (*X-23*) debut the steampunk fantasy Monstress!

In Aaron, Guera, and Brusco's *The Goddamned*, we turn back the clock to age before the Flood. Fifteen hundred years ago, humanity was expelled from Paradise. A thousand years ago, the Tower of Babel was torn down. Monsters walk the Earth, and cruelty and violence are known throughout the land. This is a time of wickedness and evil, and soon an apocalypse will come, one that will wash away the Goddamned from the face of the Earth.

Steampunk and giant kaiju collide in Liu and Takeda's *Monstress*. Maika has a psychic link with a powerful monster, and joined with the monster she will find herself in a battle to save humanity from inhuman invaders!

Both series launch with over-sized first issues. Look from Image's new series this November!

THE *PILLAR* AWAITS WITH DARK HORSE'S NEW HALO REPLICA 67

Nearly fifteen years ago, Microsoft took gamers into a world almost beyond imagination with *Halo: Combat Evolved*. In the depths of space, facing extinction at the hands of the alien Covenant, humanity discovered an immense ring-shaped inhabitable artifact. Dark Horse Comics recreates a setting of the game with the *UNSC Pillar of Autumn Ship Replica*, a recreation of the ship that carried Master Chief to the artifact. Measuring 8" long, it comes with a display base, perfect for your game cave!

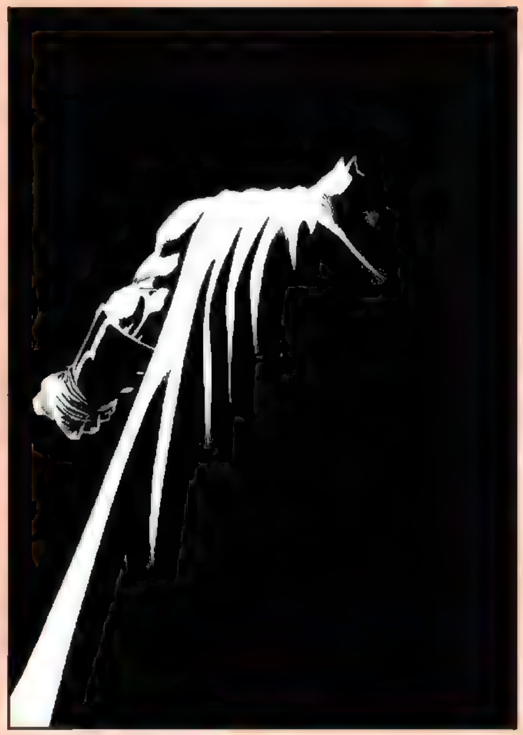
JOE GOLEM, OCCULT DETECTIVE #1

DARK HORSE COMICS

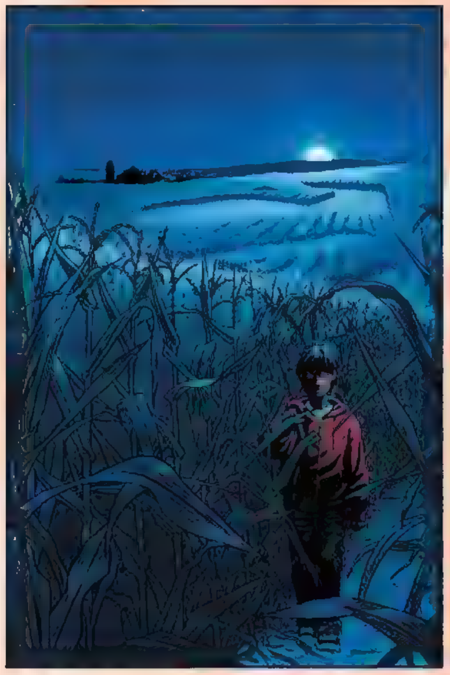
In this tie-in to the illustrated novel *Joe Golem and the Drowning City*, writers Mike Mignola and Christopher Golden take us back to a submerged Manhattan, 40 years later, where Joe Golem must discover who or what is pulling children into the depths of the canals!



THE DARK KNIGHT III: MASTER RACE #1

DC COMICS

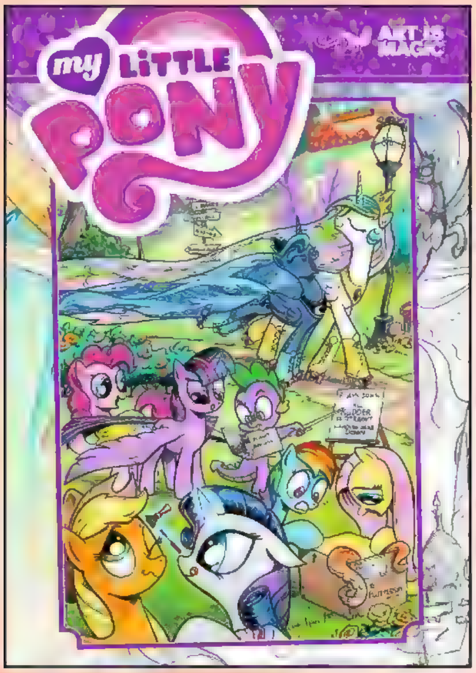
The Dark Knight rises again to face the dawn of the Master Race in this epic new story written by Frank Miller and Brian Azzarello, with art by Andy Kubert and Klaus Janson!



SUPERMAN: AMERICAN ALIEN #1

DC COMICS

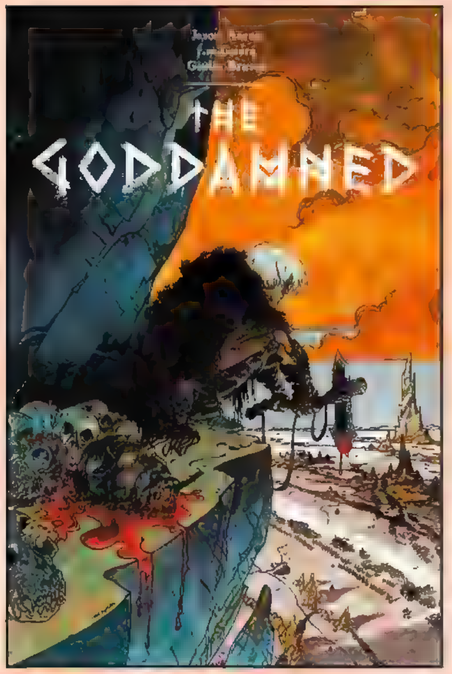
Screenwriter and Eisner Award nominee, Max Landis (*Chronicle*, *American Ultra*) joins forces with top comics artists including Jock, Francis Manapul and Jae Lee, to bring you *Superman: American Alien*, a 7-issue miniseries chronicling the life of Clark Kent and his development into the archetypal hero he will eventually become!



MY LITTLE PONY: ART IS MAGIC TP

IDW PUBLISHING

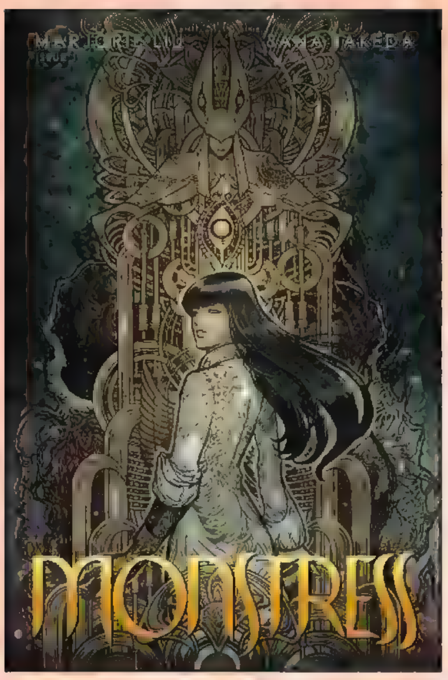
Celebrate the charming and diverse artwork of IDW's *My Little Pony* comic book series in this special art book featuring the work of fan-favorite artists Jay Fosgitt, Sara Richard, Tony Fleecs, Andy Price, Brenda Hickey, and Agnes Garbowska!



THE GODDAMNED #1

IMAGE COMICS

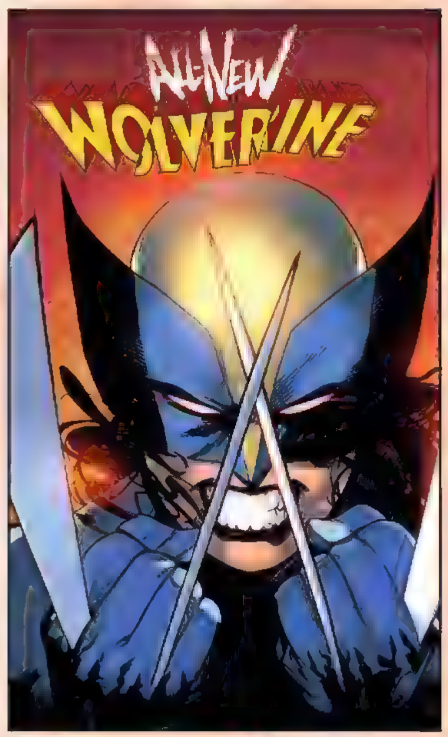
Jason Aaron and R.M. Guéra (co-creators of *Scalped*) reunite for a new ongoing series of stark and brutal biblical noir! Earth: 1,655 years after Eden… It is a hellish place of wanton cruelty and wickedness. Humankind is a failed experiment. This is life before the Flood, the story of man on the verge of his first apocalypse.



MONSTRESS #1

IMAGE COMICS

TRIPLE-SIZED FIRST ISSUE: 66 pages of story! Steampunk meets Kaiju in this original fantasy epic for mature readers as *Astonishing X-Men* and *Black Widow* writer Marjorie Liu returns to comics with artist Sana Takeda (*X-23*) for this all-new ongoing series!



ALL-NEW WOLVERINE #1

MARVEL COMICS

X-23 was created to be a weapon. But with the help of Logan — the original Wolverine — she escaped that dark past. With Logan gone, it's up to Laura Kinney to continue in his footsteps. She is the best there is at what she does; she is the *All-New Wolverine*!

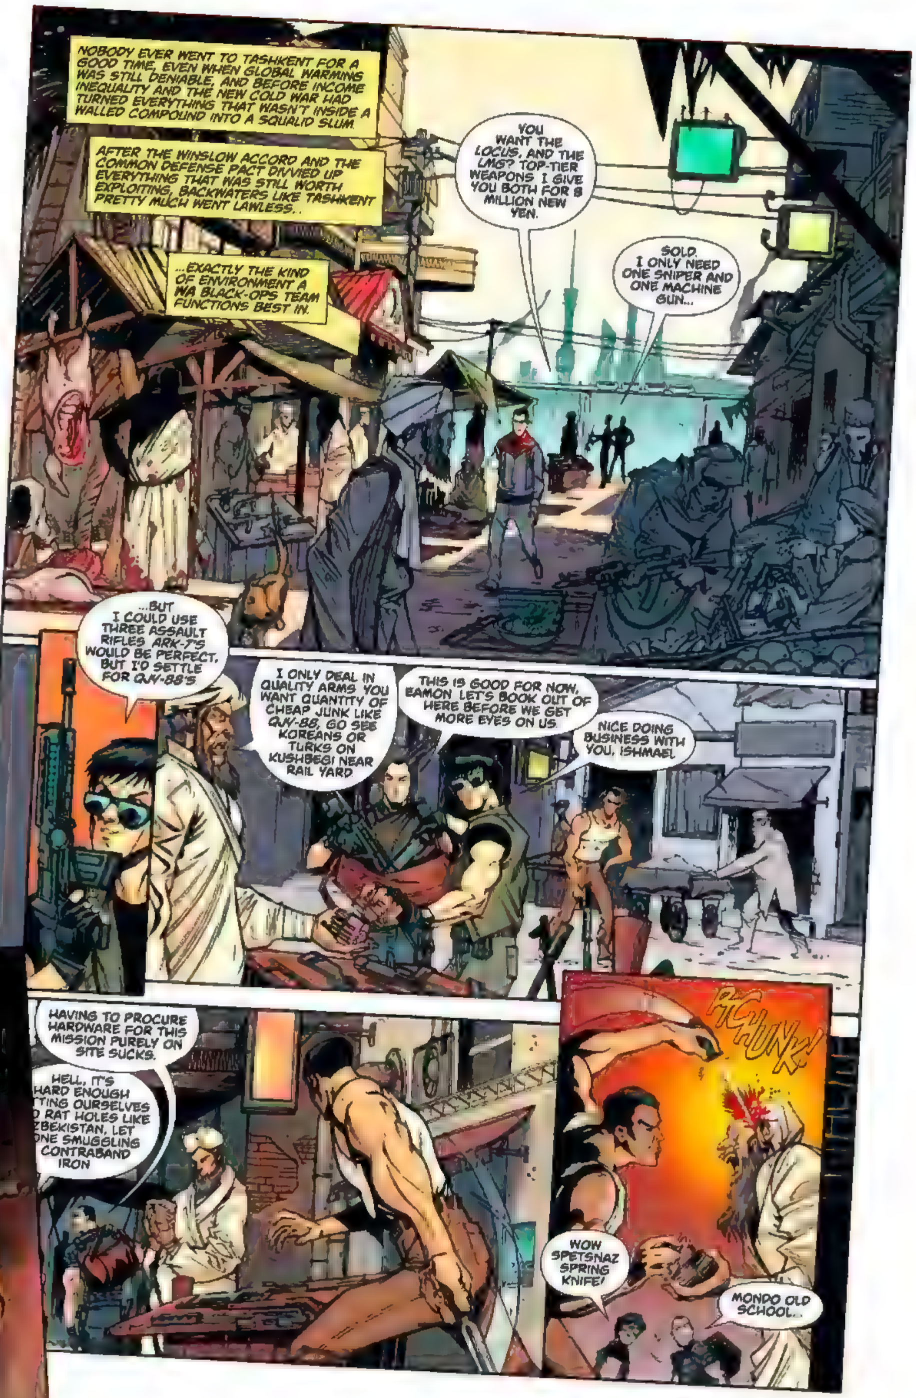
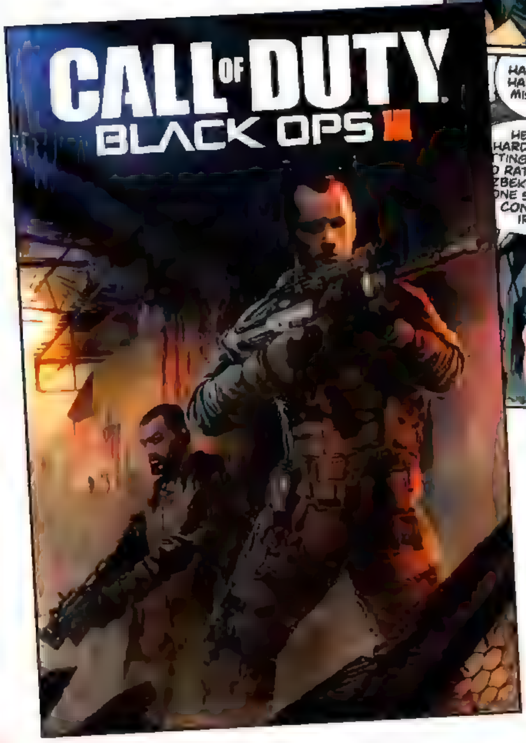
GEM of the Month

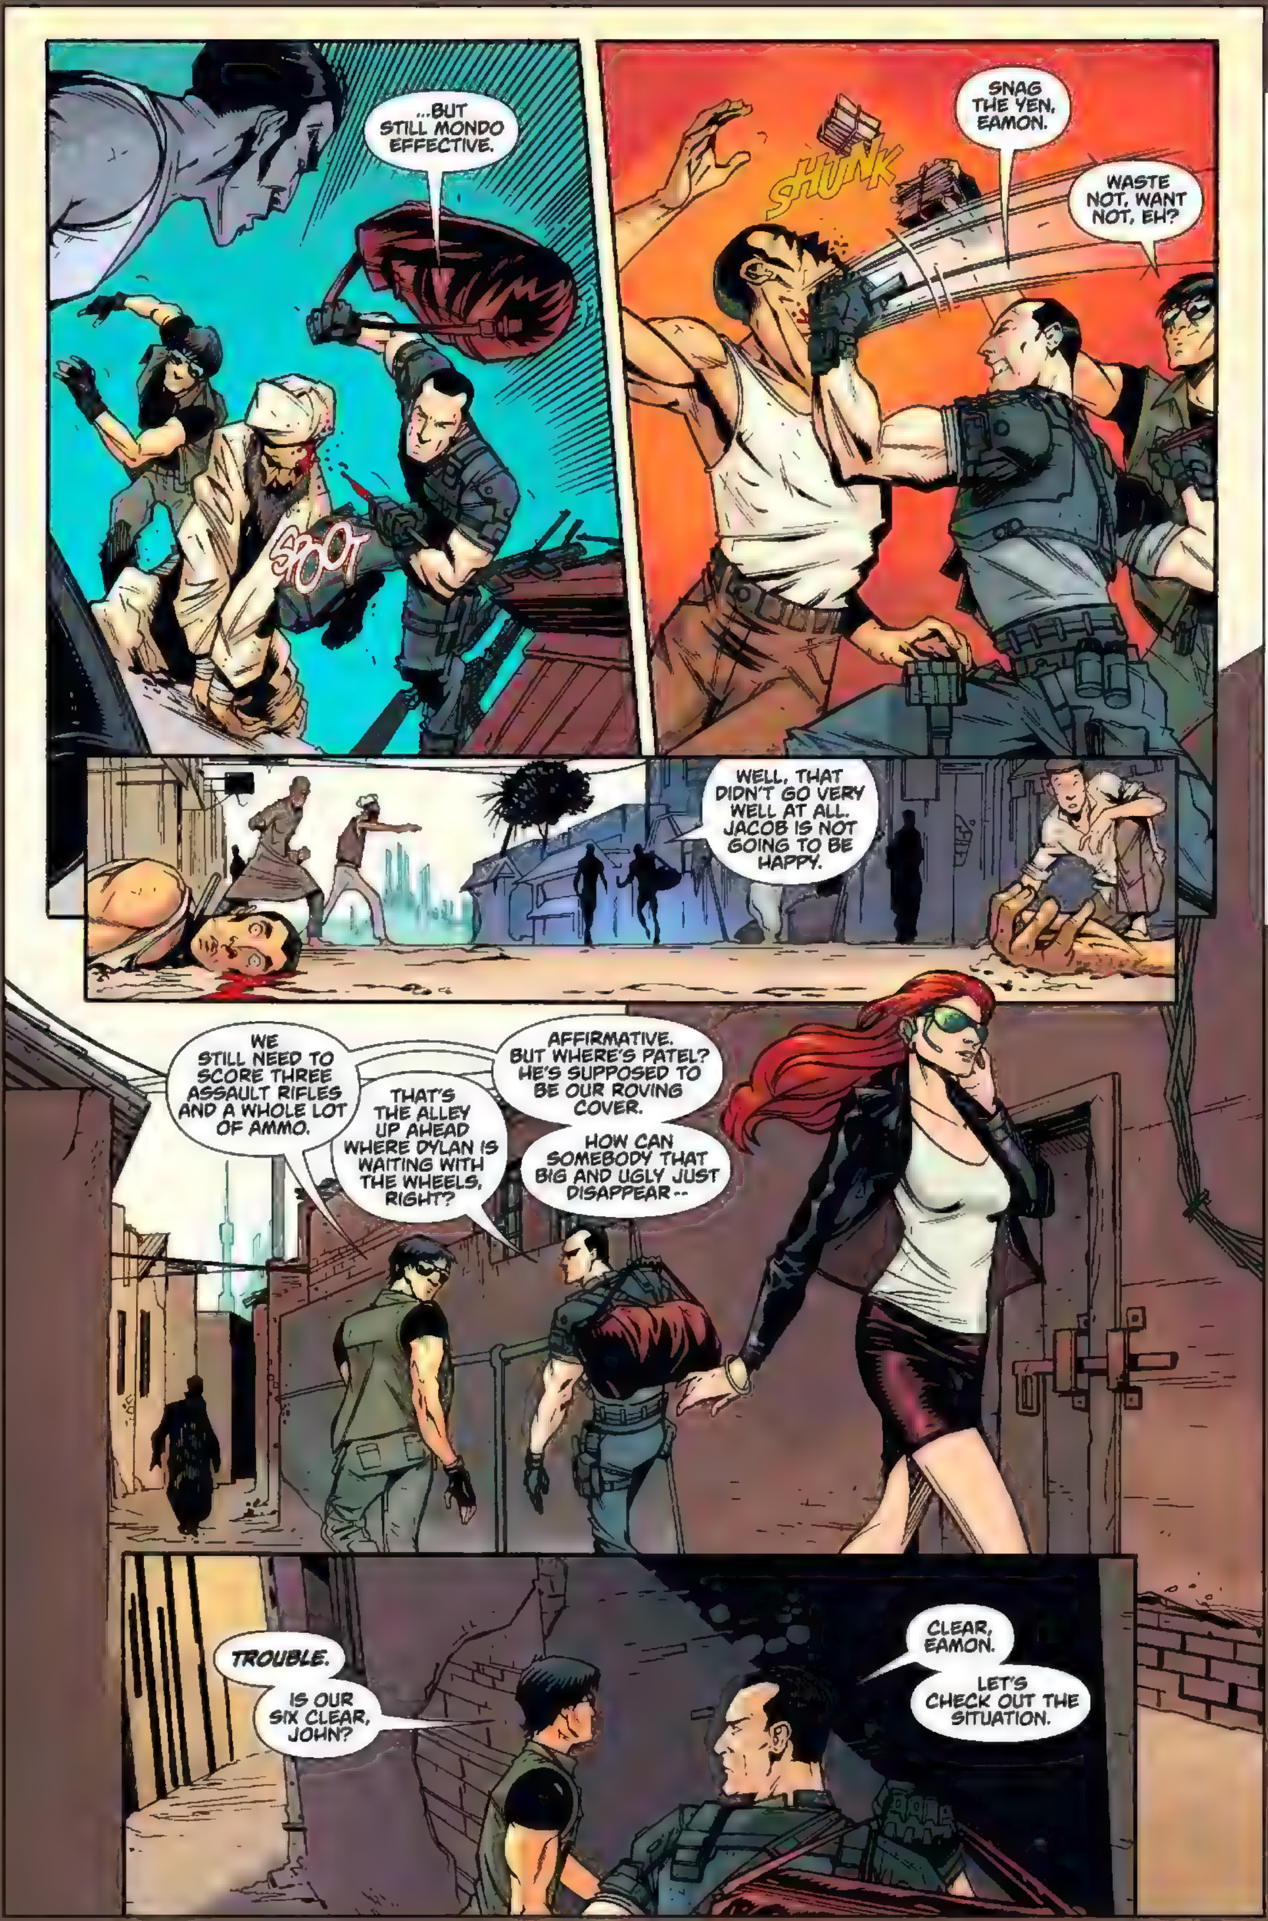


NOBODY EVER WENT TO TASHKENT FOR A GOOD TIME, EVEN WHEN GLOBAL WARMING WAS STILL DENIABLE, AND BEFORE INCOME INEQUALITY AND THE NEW COLD WAR HAD TURNED EVERYTHING THAT WASN'T INSIDE A WALLED COMPOUND INTO A SQUALID SLUM.
AFTER THE WINSLOW ACCORD AND THE COMMON DEFENSE PACT DIVVIED UP EVERYTHING THAT WAS STILL WORTH EXPLOITING, BACKWATERS LIKE TASHKENT PRETTY MUCH WENT LAWLESS...
...EXACTLY THE KIND OF ENVIRONMENT A WA BLACK-OPS TEAM FUNCTIONS BEST IN.
YOU WANT THE LOCUS, AND THE LMG? TOP-TIER WEAPONS I GIVE YOU BOTH FOR 8 MILLION NEW YEN.
SOLD. I ONLY NEED ONE SNIPER AND ONE MACHINE GUN...
...BUT I COULD USE THREE ASSAULT RIFLES. ARK-7'S WOULD BE PERFECT, BUT I'D SETTLE FOR QJY-88'S.
I ONLY DEAL IN QUALITY ARMS. YOU WANT QUANTITY OF CHEAP JUNK LIKE QJY-88, GO SEE KOREANS OR TURKS ON KUSHBEGI NEAR RAIL YARD.
THIS IS GOOD FOR NOW, EAMON. LET'S BOOK OUT OF HERE BEFORE WE GET MORE EYES ON US.
NICE DOING BUSINESS WITH YOU, ISHMAEL.
HAVING TO PROCURE HARDWARE FOR THIS MISSION PURELY ON SITE SUCKS.
HELL, IT'S HARD ENOUGH TING OURSELVES O RAT HOLES LIKE ZBEKISTAN, LET ONE SMUGGLING CONTRABAND IRON
FCHUNK!
WOW SPETSNAZ SPRING KNIFE!
MONDO OLD SCHOOL...



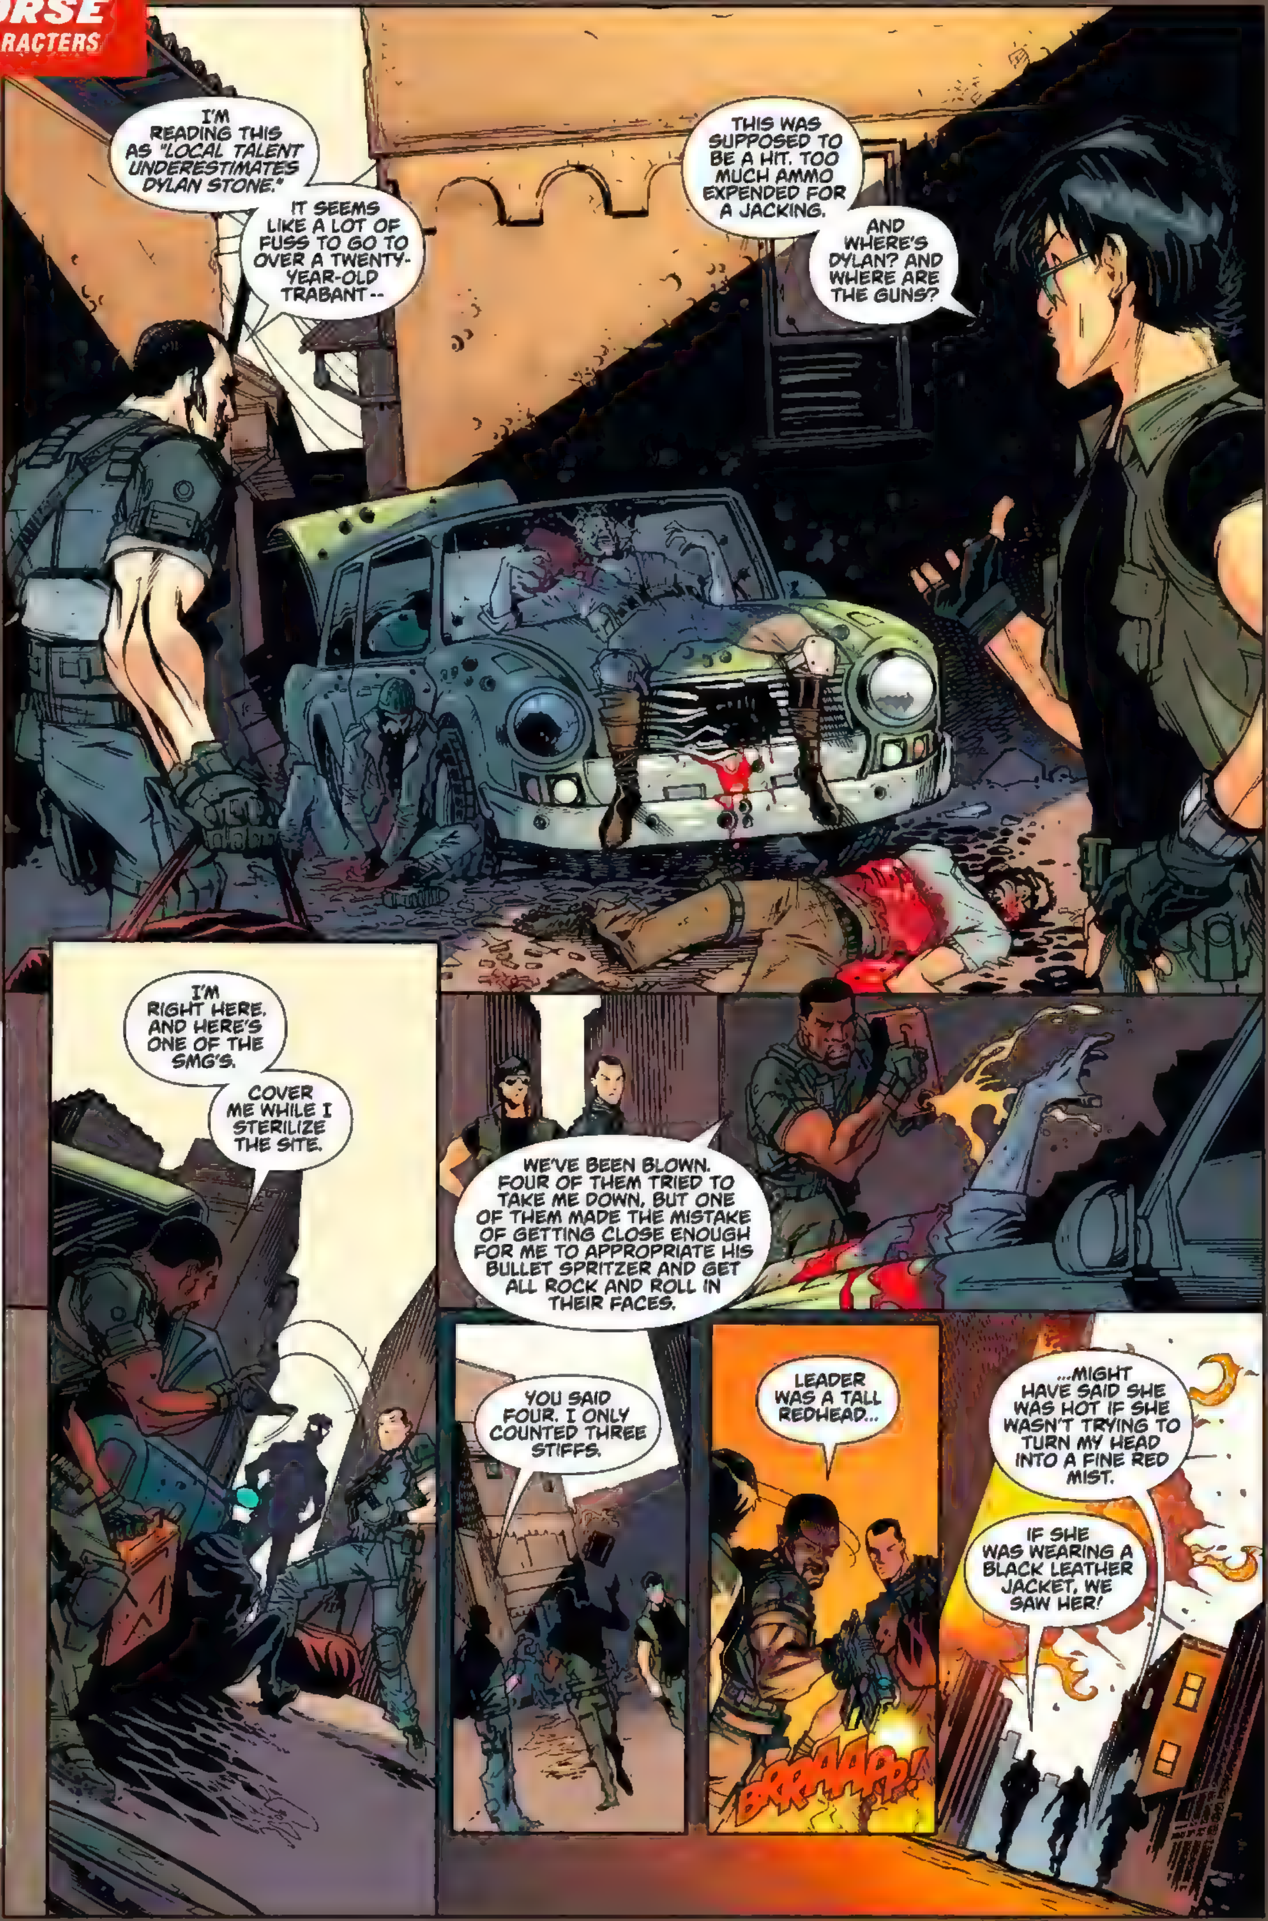
CALL OF DUTY
BLACK OPS III

LARRY HAMA!



...BUT STILL MONDO EFFECTIVE.
SPOOT
SHUNK
SNAG THE YEN, EAMON.
WASTE NOT, WANT NOT, EH?
WELL, THAT DIDN'T GO VERY WELL AT ALL. JACOB IS NOT GOING TO BE HAPPY.
WE STILL NEED TO SCORE THREE ASSAULT RIFLES AND A WHOLE LOT OF AMMO.
THAT'S THE ALLEY UP AHEAD WHERE DYLAN IS WAITING WITH THE WHEELS, RIGHT?
AFFIRMATIVE. BUT WHERE'S PATEL? HE'S SUPPOSED TO BE OUR ROVING COVER.
HOW CAN SOMEBODY THAT BIG AND UGLY JUST DISAPPEAR--
TROUBLE.
IS OUR SIX CLEAR, JOHN?
CLEAR, EAMON.
LET'S CHECK OUT THE SITUATION.

PREVIEW: CALL OF DUTY: BLACK OPS III #1



I'M READING THIS AS "LOCAL TALENT UNDERESTIMATES DYLAN STONE."
IT SEEMS LIKE A LOT OF FUSS TO GO TO OVER A TWENTY-YEAR-OLD TRABANT--
THIS WAS SUPPOSED TO BE A HIT. TOO MUCH AMMO EXPENDED FOR A JACKING.
AND WHERE'S DYLAN? AND WHERE ARE THE GUNS?
I'M RIGHT HERE. AND HERE'S ONE OF THE SMG'S.
COVER ME WHILE I STERILIZE THE SITE.
WE'VE BEEN BLOWN. FOUR OF THEM TRIED TO TAKE ME DOWN, BUT ONE OF THEM MADE THE MISTAKE OF GETTING CLOSE ENOUGH FOR ME TO APPROPRIATE HIS BULLET SPRITZER AND GET ALL ROCK AND ROLL IN THEIR FACES.
YOU SAID FOUR. I ONLY COUNTED THREE STIFFS.
LEADER WAS A TALL REDHEAD...
...MIGHT HAVE SAID SHE WAS HOT IF SHE WASN'T TRYING TO TURN MY HEAD INTO A FINE RED MIST.
IF SHE WAS WEARING A BLACK LEATHER JACKET, WE SAW HER!
BRRAAAPP!

DC COMICS PRESENTS *DARK KNIGHT III: THE MASTER RACE*

DC Comics is proud to present the debut issue of DARK KNIGHT III: THE MASTER RACE, one of the most ambitious projects ever from a major American comics publisher. Here are the details...

Each issue of DARK KNIGHT III: THE MASTER RACE will include:

- A 32-page standard format comic book that will measure 6.625" x 10.1875"
- A 16-page minicomic with no interior ads that will measure 5.5" x 8.375"

The minicomic will be tipped on to an insert and bound into the main comic.

After the release of each issue of DARK KNIGHT III: THE MASTER RACE, DC Entertainment will release a volume of the DARK KNIGHT III: THE MASTER RACE COLLECTOR'S EDITION that will collect the both the main story and mini-comic from latest issue of DARK KNIGHT III: THE MASTER RACE as a single 7.0625" x 10.875" title, with both stories presented at the same trim size.

After the first seven DARK KNIGHT III: THE MASTER RACE COLLECTOR'S EDITION have been published, DC Entertainment will ship a special slipcase designed to hold the entire set with the eighth COLLECTOR'S EDITION.

DKIII also will feature a dazzling array of variant covers by some of the biggest names in comics today. And, for the first time ever, DC will offer custom store variant editions to qualifying retailers. Watch for more information coming soon!

Hollywood screenwriter and Eisner Award nominee Max Landis (*Chronicle*, *American Ultra*, ADVENTURES OF SUPERMAN) joins forces with top comics artists including Jock, Francis Manapul and Jae Lee to bring you SUPERMAN: AMERICAN ALIEN, a 7-issue miniseries chronicling the life of Clark Kent and his development into the archetypal hero he will eventually become. But these are not the stories of the iconic "Superman" as you know him, but of the soft-spoken, charming, often-funny Kansas farm-boy behind the Man of Steel. With the tone of each issue ranging from heartwarming and simple, to frighteningly gritty and violent, to sexy, sun-kissed and funny, SUPERMAN: AMERICAN ALIEN is unlike anything you've seen before.

In this first issue, superstar artist Nick Dragotta (*East of West*, *Fantastic Four*) illustrates the story of Jonathan and Martha Kent as they struggle to deal with their 12-year-old son's latest quirk—he's been floating up into the air, sometimes hundreds of feet!

Retailers: This issue will ship with three covers. Please see the order form for more information. This issue is resolicited. All previous orders are cancelled.

Superstar artist Jim Lee returns to the Dark Knight with this premiere issue! The impossible has happened and Batman is on the verge of being taken down by an enemy he cannot defeat: a virus for which there is no cure! And the only hope for his salvation is The Joker! Who infected Batman, what does the Clown Prince of Crime know, and how will the Dark Knight get that information? Together, the enemies crisscross Europe, desperate to find answers before time runs out.

Co-conceived by Matteo Casali and Brian Azzarello, this 4-issue miniseries event will feature art by top talents over layouts by the incomparable Giuseppe Camuncoli (HELLBLAZER, *Dark Wolverine*), with the first issue pencilled and inked by none other than Jim Lee!

MATURE READERS

Eric Kripke (creator of *Supernatural*) teams up with Vertigo veterans John Higgins (HELLBLAZER) and Glenn Fabry (PREACHER) to bring you a very Vertigo take on the modern superhero in this six-issue miniseries. Josh Jaffe, a neurotic family man mid-midlife crisis, buys an online "smart pill" to increase his focus and jolt him out of his slump. But to Josh's surprise, the pill gives him incredible strength and power—but its cost is that it's extremely addictive. This irreverent and brutally realistic story examines both the mighty highs and humiliating lows of being a real-life superhero.

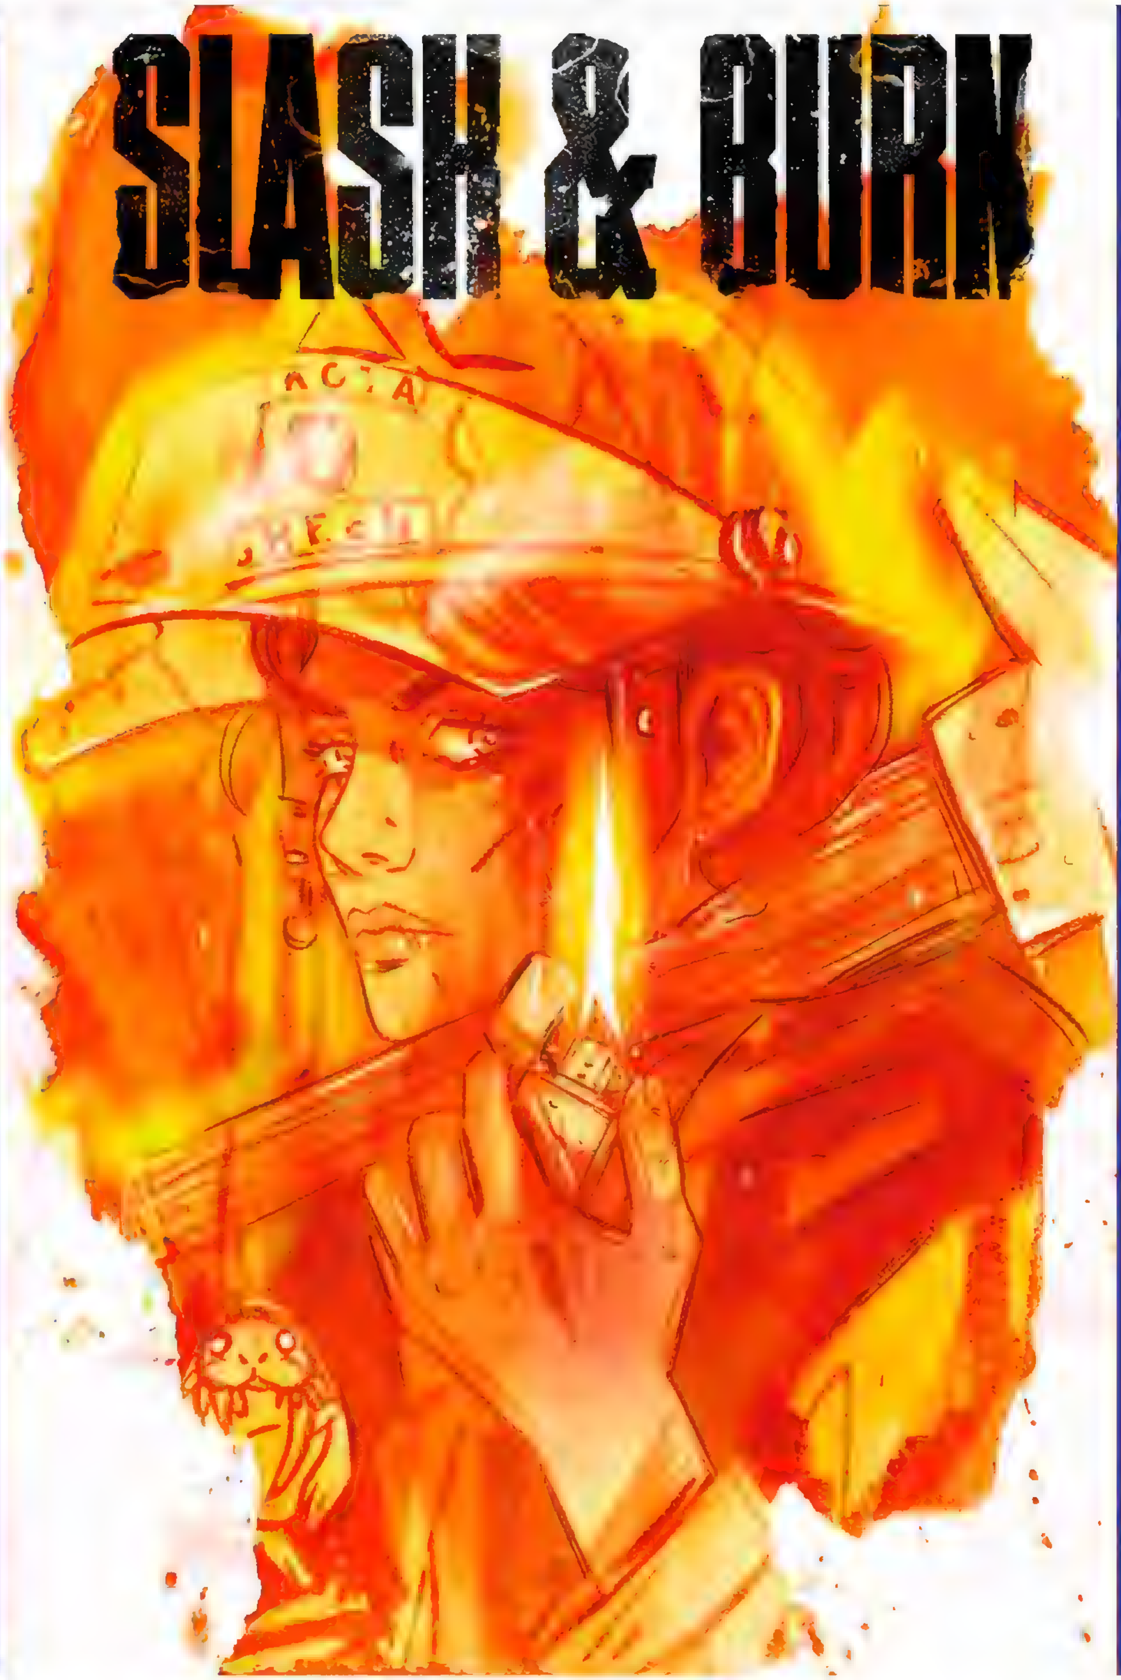
On the rain-soaked streets of Glasgow, a girl whose drawings somehow come to life has just stumbled across her one true love. And thousands of miles below those streets, an ancient demi-god plots his escape from the prison where he's been held for nearly two thousand years. Evil forces are at play and no one is safe as the legends of Scottish mythology collide with the modern world. Fans of FABLES and THE SANDMAN won't want to miss this riveting dark fantasy epic!



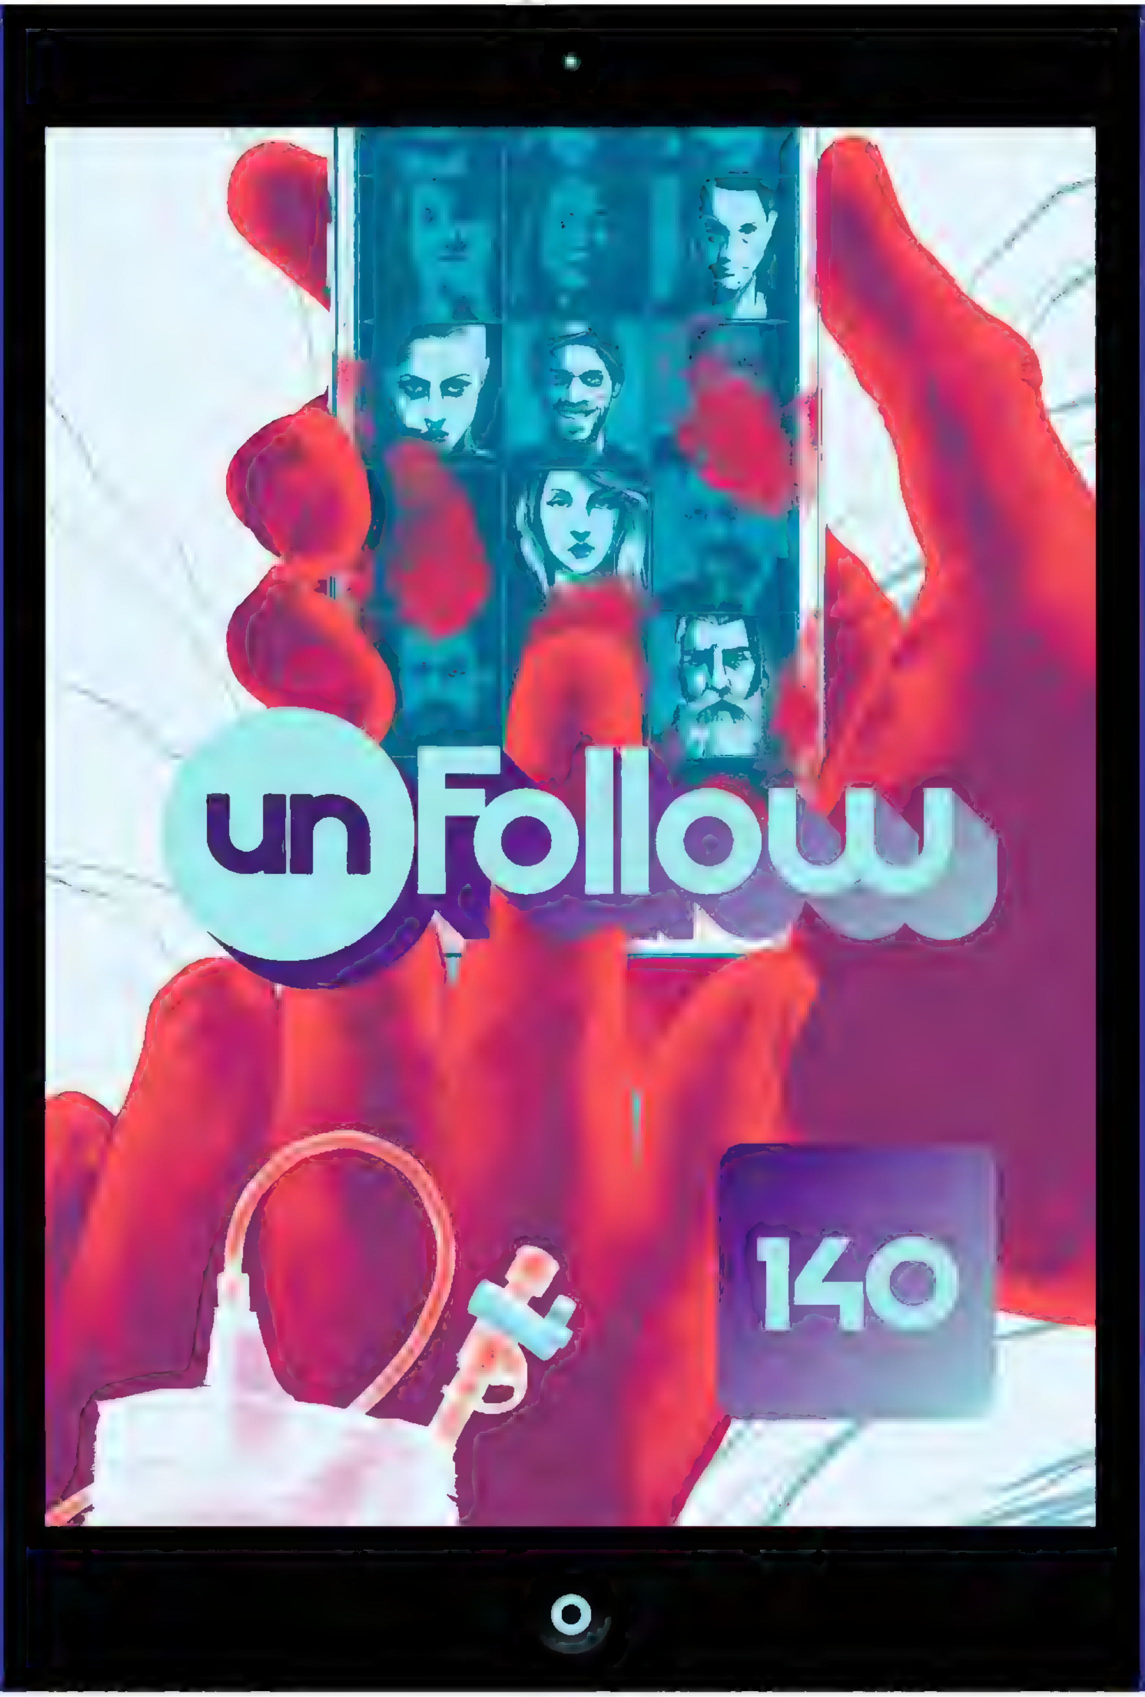
SLASH & BURN #1

Written by SI SPENCER
Art by MAX DUNBAR and ANDE PARKS
Cover by TULA LOTAY

On sale NOVEMBER 11 • 32 pg, FC, $3.99 US
MATURE READERS

Another day, another hot date. Firefighter Rosheen Hayes takes her relationships with conflagration seriously, whether it's the trigger-happy burn victim with his sights on her partner or a chance encounter igniting memories of arson at the orphanage. But is she the super-sleuth fire-whisperer or twisted firestarter?

This new ongoing series from writer Si Spencer has all the mystery and intrigue of his hit Vertigo miniseries BODIES, with art by Max Dunbar (*Dungeons & Dragons*) and veteran inker Ande Parks (*The Irredeemable Ant-Man*), SLASH & BURN is a tricky thriller that explores both the excitement and the consequences of succumbing to one's darkest impulses.



UNFOLLOW #1

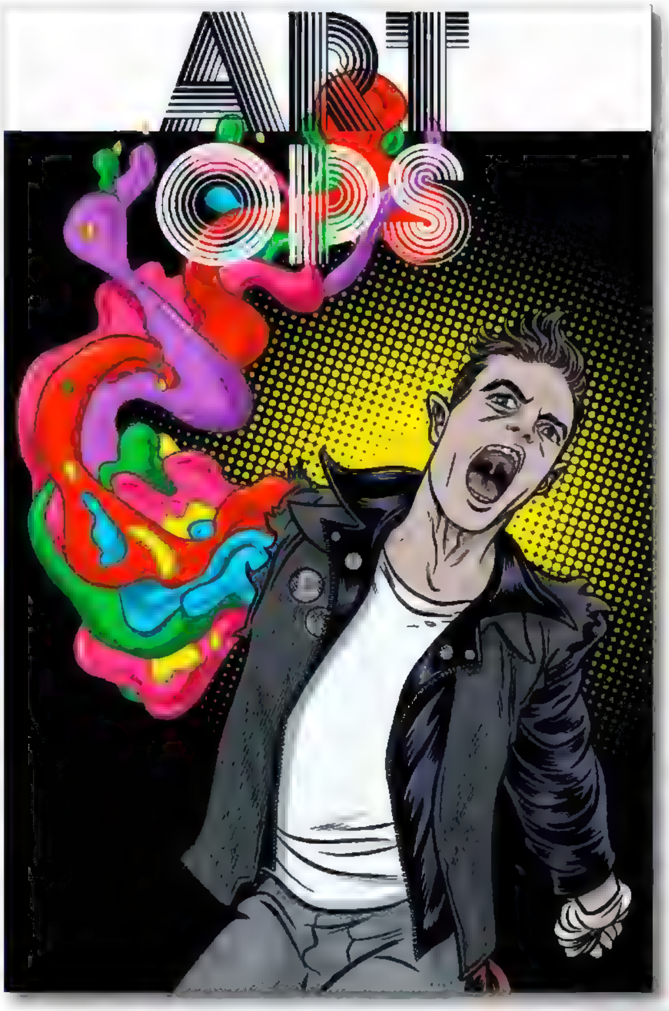
On sale NOVEMBER 4 • 32 pg, FC, $3.99 US
MATURE READERS

A dying social media mogul leaves his billions to be split evenly between 140 random people—or however many of them are still alive at the moment of his death. Rob Williams (MARTIAN MANHUNTER, THE ROYALS: MASTERS OF WAR) and Michael Dowling (*Death Sentence*) assemble a cast that includes a young black man trying to get by in St. Louis, an Iranian reporter in need of hope, a retired special forces soldier with a strange sense of purpose, and a thrill-seeking heiress, in this thriller that shows we're all still part of the food chain.



ART OPS #2

On sale NOVEMBER 25 • 32 pg, FC, $3.99 US
MATURE READERS

Unlikely Art Ops ringleader Reggie Riot tries to keep the strange, surrealist painting that doubles as his arm and the Mona Lisa under wraps, The Body recruits the newest team member: a new wave party girl who hasn't stop dancing since 1987. "Riot in Suburbia" follows what happens in a world where works of art come to life and wreak havoc, a series that's at once a salute to pop culture and New York City.

CLEAN ROOM #2

The entire 28-issue run of iZOMBIE, the comic that inspired the hit series on the CW, is collected in this new hardcover! Meet Gwen Dylan, a 20-something gravedigger in an eco-friendly cemetery—who also happens to be a zombie! Once a month she must eat a human brain to keep from losing her own memories, but in the process she becomes consumed with the thoughts and personality of the dead person—until she eats her next brain. Our zombie girl detective is joined by her best friend, Eleanor, a swinging '60s ghost, plus a posse of paintball-blasting vampires, a smitten were-dog and a hot but demented mummy. This collection features a new wraparound cover by superstar artist Michael Allred!

THIS IS YOUR DELIRIUM-DIETICIAN, THE OLD WITCH, COOKING UP ANOTHER REVOLTING RECIPE! READY? GOT YOUR DROOL CUPS FASTENED UNDER YOUR DRIBBLING CHINS? GOT YOUR SHROUDS TIED NEATLY AROUND YOUR NECKS? THEN I'LL BEGIN DISHING OUT THE TERROR-TIDBIT I CALL..
HORROR WE? HOW'S BAYOU?
THE MOSS-LADEN CYPRESS TREES THAT LINE THE RUTTED BAYOU ROAD SEEM TO PART.. AND AN OLD PLANTATION HOUSE, WEATHERBEATEN AND FADED, LOOMS UP IN THE CAR'S HEADLIGHT BEAMS! ITS COLUMNED PORTICO LEERS OMINOUSLY, LIKE SOME GIGANTIC FANGED MONSTER SQUATTING IN THE ROAD, BLOCKING THE AUTOMOBILE'S FURTHER PROGRESS! OFF IN THE DISTANCE A SWAMP BIRD SCREAMS INTO THE NIGHT, AS IF LAUGHING AT THE DRIVER'S DISCOMFORT..
BLAST IT! THIS ROAD ENDS HERE! BUT I'M SURE THAT SIGN BACK THERE POINTED THIS WAY.

MILTON CANIFF

STEVE CANYON, VOLUME 6: 1957-1958

writer/artist/cover **Milton Caniff**

Things take a decidedly domestic turn in our sixth volume. Can Summer and Steve rekindle their love amidst the action of…high school basketball? Can Poteet find happiness on the polo field? Since this is Steve Canyon, not all the action takes place at home, and old friends unexpectedly pop up in new places. Miss Mizzou feels overdressed on Finger Island—Colonel Sam Index reappears at Higgs Air Base—Princess Snowflower comes to America as a pawn in Doagie Hogan's plan to attack Communist China—and Savannah Gay teams up with none other than Bob Hope in a special Christmas story. Everyone's favorite Light Colonel dodges death and femme fatales alike in volume six of The Complete Steve Canyon!

"And the earth was filled with violence."
Genesis 6:11

It's 1,655 years after Eden, and life on earth has already gone to hell. The world of man is a place of wanton cruelty and wickedness. Prehistoric monsters and stone-age marauders roam the land. Murder and destruction are the rule of the day. Humankind is a failed experiment. This is life before the Flood. The story of man on the verge of his first apocalypse. MONSTRESS #1

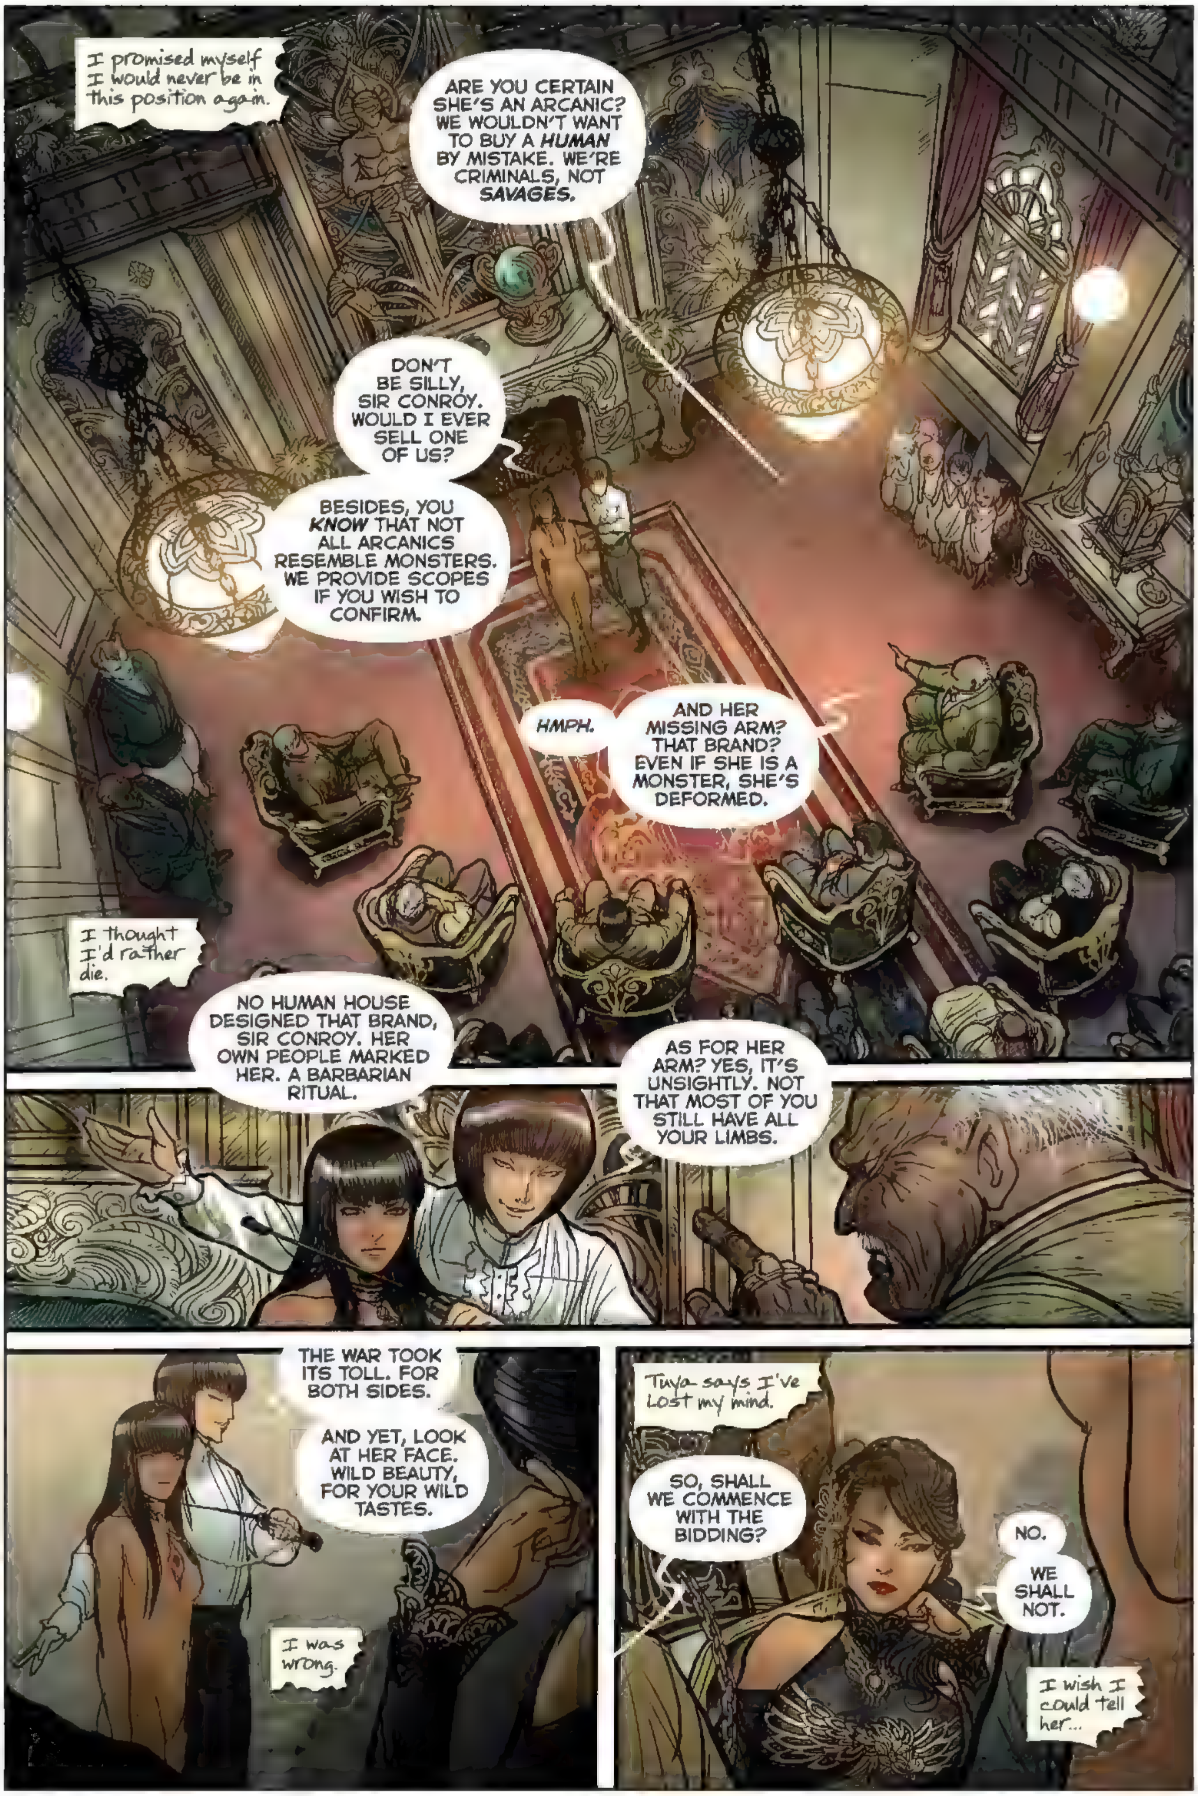
It took three years to find a name. Another two years to find the person.
LADIES AND GENTLEMAN, WE BEGIN OUR EVENING WITH LOT EIGHT-ONE-NINE. ARCANIC, BUT WITH A *FULLY* HUMAN APPEARANCE.
SEVENTEEN YEARS OLD. VIRGIN.
BIDDING WILL START AT FIVE PIECES OF GOLD.
And now I'm here.

MONSTRESS #1



I promised myself I would never be in this position again.
ARE YOU CERTAIN SHE'S AN ARCANIC? WE WOULDN'T WANT TO BUY A *HUMAN* BY MISTAKE. WE'RE CRIMINALS, NOT *SAVAGES.*
DON'T BE SILLY, SIR CONROY. WOULD I EVER SELL ONE OF US?
BESIDES, YOU *KNOW* THAT NOT ALL ARCANICS RESEMBLE MONSTERS. WE PROVIDE SCOPES IF YOU WISH TO CONFIRM.
HMPH.
AND HER MISSING ARM? THAT BRAND? EVEN IF SHE IS A MONSTER, SHE'S DEFORMED.
I thought I'd rather die.
NO HUMAN HOUSE DESIGNED THAT BRAND, SIR CONROY. HER OWN PEOPLE MARKED HER. A BARBARIAN RITUAL.
AS FOR HER ARM? YES, IT'S UNSIGHTLY. NOT THAT MOST OF YOU STILL HAVE ALL YOUR LIMBS.
THE WAR TOOK ITS TOLL. FOR BOTH SIDES.
AND YET, LOOK AT HER FACE. WILD BEAUTY, FOR YOUR WILD TASTES.
I was wrong.
Tuya says I've lost my mind.
SO, SHALL WE COMMENCE WITH THE BIDDING?
NO.
WE SHALL NOT.
I wish I could tell her...

HOW MAY I SERVE THE CUMAEA?
YOU MAY DONATE THIS ARCANIC TO OUR ORDER.

OF COURSE, MY LADY.
...CORRUPT... ARROGANT NUNS... THINKING THEY RULE US... THIS IS NEUTRAL TERRITORY, GODDAMMIT....
SIR CONROY.
TWO MONTHS FROM NOW, YOUR WIFE IS GOING TO FIND YOU IN BED WITH ANOTHER MAN.
SOON AFTER YOU'LL BE FOUND STONE COLD DEAD. CURIOUSLY, NO ONE WILL BE CHARGED.
REFLECT ON THAT.

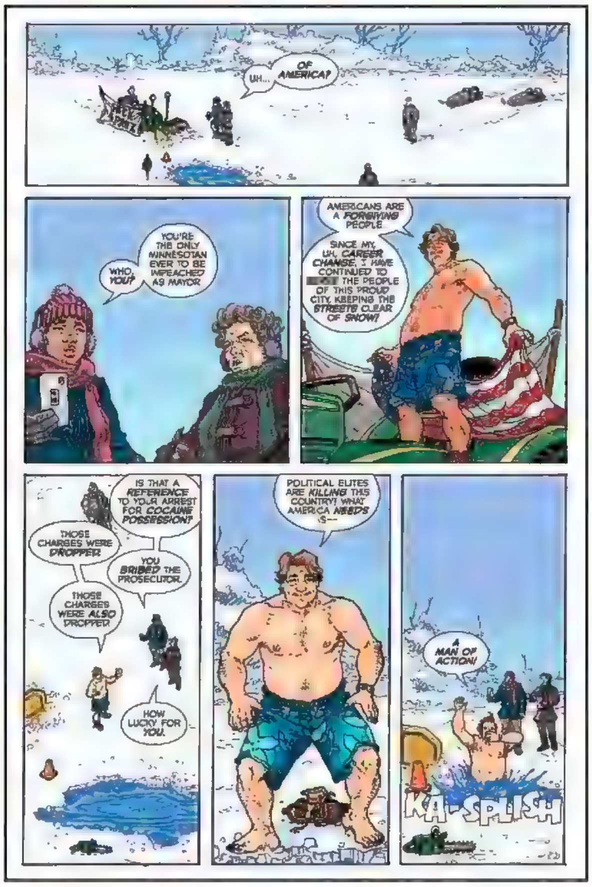
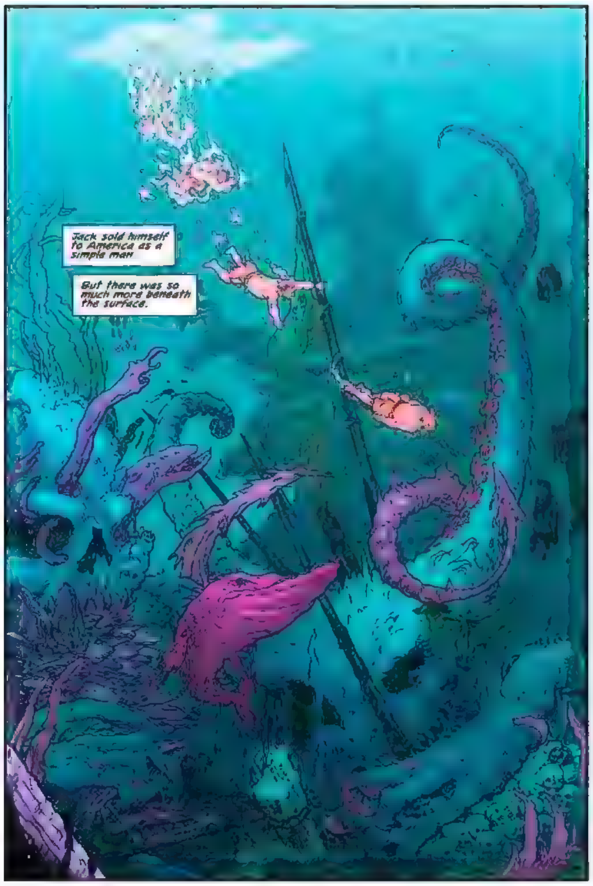
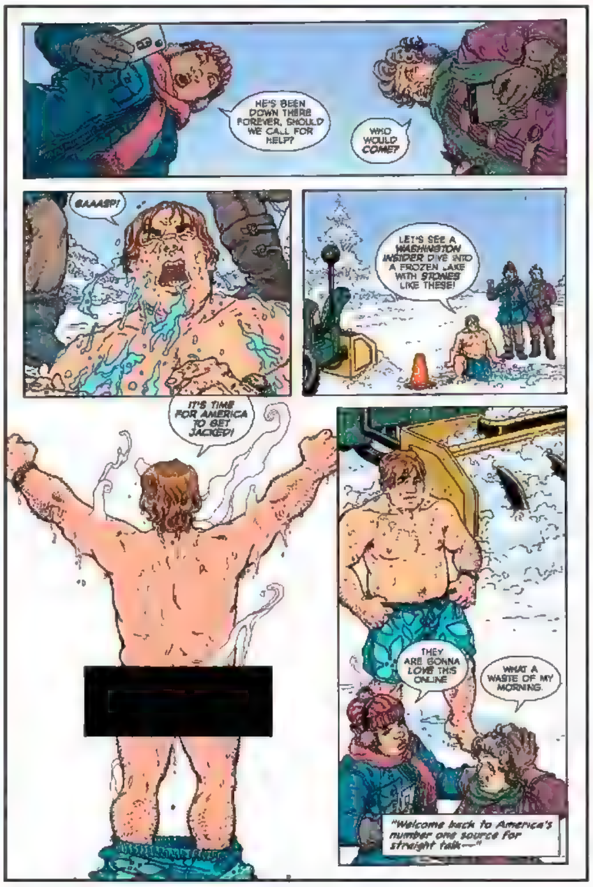
THANK YOU ALL FOR COMING TODAY.
I, JACK NORTHWORTHY, HEREBY DECLARE—
I'M RUNNING FOR PRESIDENT!
Jack was a disappointment as a hockey player, an outrage as a mayor, and a disaster as a businessman.
He couldn't even sell snowblowers in Minnesota. Jack was at a dead end
So this is what he did about it.



UH...
OF AMERICA?
WHO, YOU?
YOU'RE THE ONLY MINNESOTAN EVER TO BE IMPEACHED AS MAYOR
AMERICANS ARE A FORGIVING PEOPLE
SINCE MY, UH, CAREER CHANGE, I HAVE CONTINUED TO [redacted] THE PEOPLE OF THIS PROUD CITY, KEEPING THE STREETS CLEAR OF SNOW!
IS THAT A REFERENCE TO YOUR ARREST FOR COCAINE POSSESSION?
THOSE CHARGES WERE DROPPED
YOU BRIBED THE PROSECUTOR.
THOSE CHARGES WERE ALSO DROPPED
HOW LUCKY FOR YOU.
POLITICAL ELITES ARE KILLING THIS COUNTRY! WHAT AMERICA NEEDS IS—
A MAN OF ACTION!
KA-SPLISH



Jack sold himself to America as a simple man
But there was so much more beneath the surface.



HE'S BEEN DOWN THERE FOREVER. SHOULD WE CALL FOR HELP?
WHO WOULD COME?
GAAASP!
LET'S SEE A WASHINGTON INSIDER DIVE INTO A FROZEN LAKE WITH STONES LIKE THESE!
IT'S TIME FOR AMERICA TO GET JACKED!

A detective with no memory, no identity, and no manners. A femme fatale seeking escape from a powerful crime lord. A voodoo queen with a penchant for mixtapes and hi-tops. A goat-eating TV…

Welcome to Dedande City, where good people check under their beds at night and reality is never quite what it seems.

A NEW surreal neon-noir series crossing 50s pulp with an 80s VHS visual aesthetic, drawing from the likes of Carpenter, Cronenberg, and Lynch.

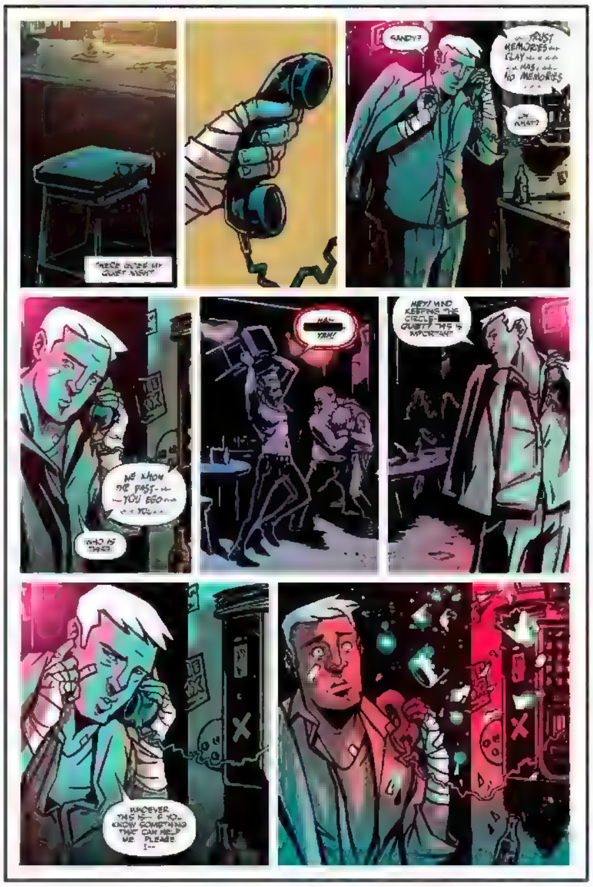
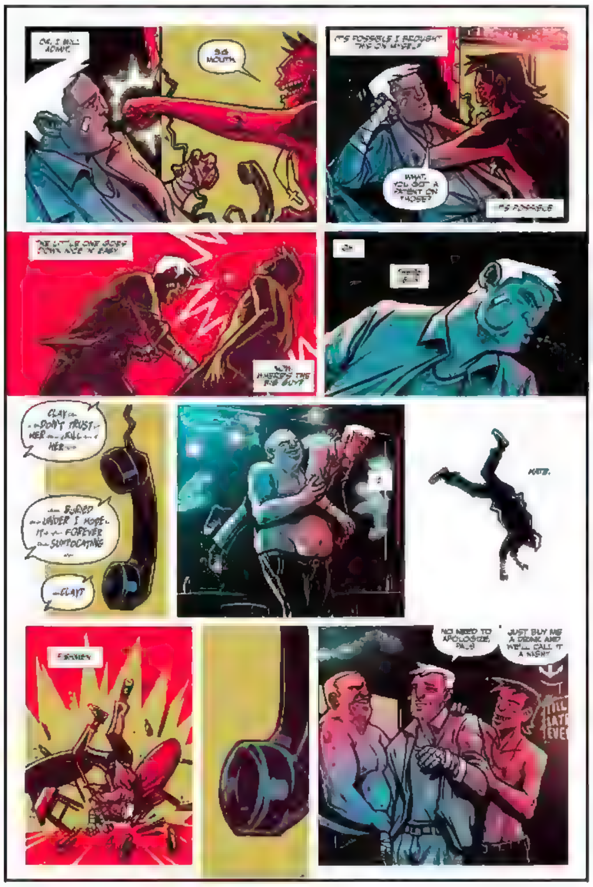
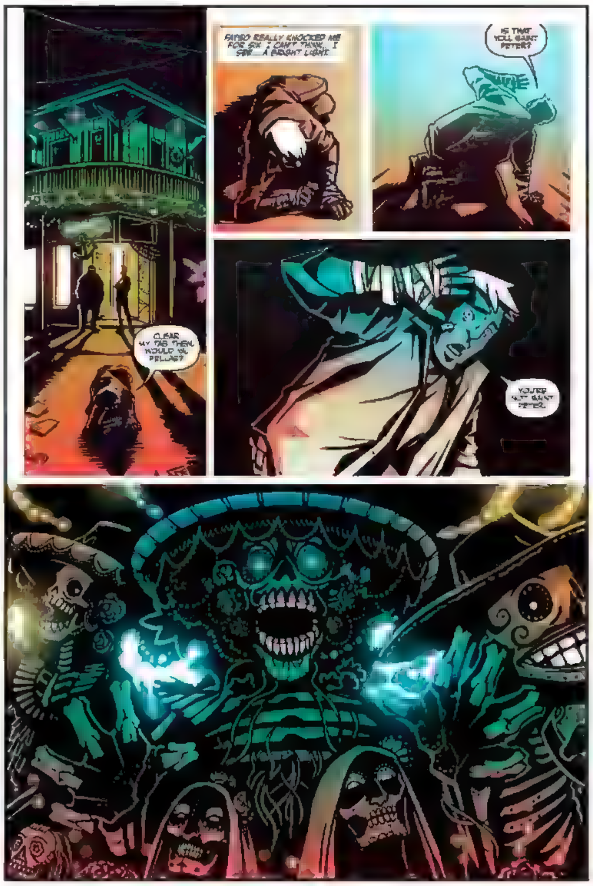
LIZARD ON A STICK.
THIS BAR DOES THE BEST DAMN LIZARD ON A STICK IN DEDANDO CITY
DRINK [redacted] BANG BEER!
YEAH! WAIT. WHAT?
TRUST ME, YOU COME HERE FOR THE LIZARD ON A STICK, NOT THE WARMTH OF THE LOCALS.
EITHER WAY, HONEY. WANNA GO FOR A BOAT RIDE?
DAMN FISHMEN ARE HERE AGAIN.
IF A REDNECK SEDUCED A TROUT, YOU'D GET SOMETHING PRETTIER.
PROBABLY SOMETHING THAT'D SMELL BETTER, TOO.
RING RING
HALLO?
SORRY, WHAT WAS THAT? WHO? MR. CLAY?
CRAP.
YEAH, SURE. HE'S RIGHT HERE.
DOUBLE CRAP.



THERE GOES MY QUIET NIGHT.
SANDY?
...TRUST MEMORIES... CLAY... ...HAS... NO MEMORIES...
...WHAT?
WE KNOW THE PAST... ...YOU EGO... ...YOU...
WHO IS THIS?
HA- [redacted] YAH!
HEY! WHO KEEPING THE CIRCLE- [redacted] QUIET? THIS IS IMPORTANT!
WHOEVER THIS IS-- IF YOU KNOW SOMETHING THAT CAN HELP ME, PLEASE I--



OK, I WILL ADMIT.
BIG MOUTH.
IT'S POSSIBLE I BROUGHT THIS ON MYSELF.
WHAT, YOU GOT A PATENT ON THOSE?
IT'S POSSIBLE.
THE LITTLE ONE GOES DOWN NICE 'N' EASY.
SO, WHERE'S THE BIG GUY?
OH.
CLAY... ...DON'T TRUST... HER... ...KILL... HER...
...BURIED ...UNDER I HOPE... IT'S... FOREVER ...SUFFOCATING...
...CLAY?
NO NEED TO APOLOGIZE, PAL.
JUST BUY ME A DRINK AND WE'LL CALL IT A NIGHT.



PAPPO REALLY KNOCKED ME FOR SIX. I CAN'T THINK. I SEE... A BRIGHT LIGHT.
IS THAT YOU, SAINT PETER?
CLEAR MY TAB THEN, WOULD YA, FELLAS?
YOU'RE NOT SAINT PETER.

THE PROFESSIONAL WRESTLING EPIC BEGINS IN AN OVER-SIZED FIRST ISSUE!

RINGSIDE is an ongoing series set within the world of professional wrestling, written by **JOE KEATINGE** (**SHUTTER**, **GLORY**, **TECH JACKET**) and drawn by acclaimed illustrator **NICK BARBER**, combining the ensemble drama of **THE WALKING DEAD** with interconnected rotating perspectives akin to *The Wire*. Each issue will explore the relationship between art and industry from the view of the wrestlers themselves, the creatives they work with, the suits in charge, and the fans cheering them all on.

But that's just the beginning.

The real violence is outside the ring.

SUPERFIGHT: THE ORANGE DECK

One of Superfight's most popular expansions, The Orange deck introduces 100 nerdy characters and attributes into your game. From comic books, to video games, to nerd culture, this deck will create arguments to keep fans fighting for days.

$15.00

SUPERFIGHT: THE RED DECK

This expansion to Superfight adds 100 horribly offensive R-Rated characters and attributes to your deck. Keep this deck away from children and grandparents, unless they're cool grandparents.

$15.00

SUPERFIGHT: THE BLUE DECK

This 100 card Superfight expansion adds location cards that give settings for the fights. Now instead of boring old battlefield, you can have your fights in an ocean of gelatin, on a rickety old railroad bridge, or inside a volcano.

$15.00

SUPERFIGHT: THE PURPLE DECK

The Purple deck adds 100 scenario cards that effect everyone in the fights. From wild-card modifiers to surprise hazards, these scenarios are meant to make every fighter's life difficult, in the most hilarious ways possible.

$15.00

SUPERFIGHT: THE GREEN DECK

The Green deck adds 100 G-Rated characters and attributes to your game. These cards are light on references, but high on imagination, making them perfect for the young and the young of heart. This deck also pairs very well with Superfight: The Reck Deck.
If you're into that kind of thing.

Marvel Retro Cloth Deadpool Action Figure Gift Set

A Diamond Select Release! Remember that time in the 1970s when Deadpool got his own action figure? Neither does Deadpool! Realizing that a great injustice had been done, DST and EMCE Toys have teamed up to give the Merc with a Mouth the Mego-style 8-inch action figure he deserves. Arriving inside a retro-style window box, the figure is packaged in a tray alongside two bonus outfits – a more detailed, modernized Deadpool head and suit, and a white X-Force outfit with an unmasked head! Plus, more swords, guns and weapons than you can shake a taco at! Then take off all his clothes and have him dress him up in the costumes of your other Marvel Retro figures! Limited to only 3,000 sets.

Will Eisner

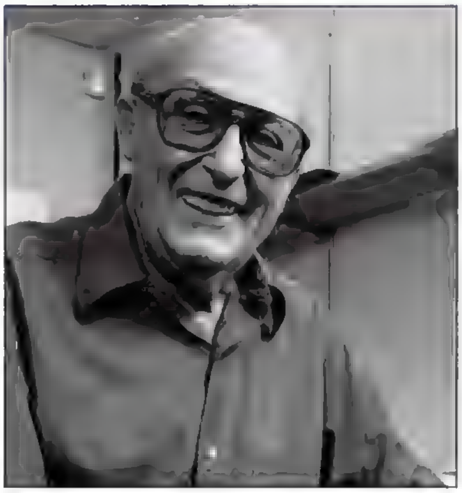
CHAMPION OF THE GRAPHIC NOVEL

Interview by J.C. Vaughn

From the days of the Eisner-Iger Studio to the adventures of **The Spirit**, *and from* **A Contract with God** *to* **The Name of the Game**, *Will Eisner's name became practically synonymous with pushing the comic art form for everything it was worth. In the lavishly illustrated new book* **Will Eisner: Champion of the Graphic Novel** *(Abrams ComicArts), former DC Comics president and publisher – and noted historian – Paul Levitz celebrates Eisner and his legacy. The book traces this master craftsman's evolution as an artist, showcases acclaimed and unpublished materials, and analyzes his impact on the art form.*

J.C. Vaughn: Will Eisner and his work have been the subjects of books, documentaries, and many, many articles. What differentiates your new book for the other efforts out there?



Paul Levitz: Will talked about his life and theories far more than any of his contemporaries, too. It's why I didn't try to do a biography. *Will Eisner: Champion of the Graphic Novel* is an attempt to explain his lifelong quests, and to evaluate why he's been so important to the growth of the graphic novel as a significant new art form in America. Will lived a very unusual life for a cartoonist, and piecing those threads together matters. Plus, it's lavishly illustrated with Will's artwork, including never-before-seen pieces, and rarely-seen pieces, many reproduced from the original artwork.

JCV: From interviewing him when you were a young fan to publishing *The Spirit Archives* at DC, what insight do you think you gained by viewing and eventually knowing Eisner over that long a period?

PL: I do suspect I saw more sides of Will than most people of my generation: dealing with him as his publisher, negotiating with him, and seeing his priorities and concerns in person. And the fact that I shared a great deal of background with him (both as children of immigrant Jewish families in New York, though in different times and economies) added important perspective too.

JCV: In the process of researching this book, what surprised you about your subject?

PL: That there was a complete, clear through line that could be built for a life that included stages as an artist, businessman, teacher, and artist again.

JCV: With his body of work, what do you think he achieved?

PL: He became one of the three or four most important artists in the development of the language of comics in America, and arguably the most important advocate for the literary and artistic worthiness of the form. Along the way, he told some lovely stories. Not a bad life's work.

JCV: Later in his career, when he had returned to doing graphic novels, did he have a sense of how many people he had inspired? If so, what did he think about it?

PL: By the time the Eisner Awards started, I think so many who followed in his path had told him that he knew. I recall writing a piece for his 80th birthday, I think it was (so 1997), and the list of folks contributing to that chapbook was pretty awesome. I think Will was proud of what his work had meant to people, and excited by what those people had done. But it was a quiet, glowing pride. Very fatherly.

TRASHED
(W/A/CA) Derf Backderf
Every week we pile our garbage on the curb and it disappears — like magic! The reality is anything but, of course. Derf Backderf's *Trashed* is an ode to the crap job of all crap jobs — garbage collector. *Trashed* follows the raucous escapades of three 20-something friends as they clean the streets of pile after pile of stinking garbage, while battling annoying small-town bureaucrats, bizarre townfolk, sweltering summer heat, and frigid winter storms. Trashed is inspired by Derf's own experiences as a garbageman, interspersed are nonfiction pages that detail what our garbage is and where it goes. (STK684734) (C: 0-1-0)

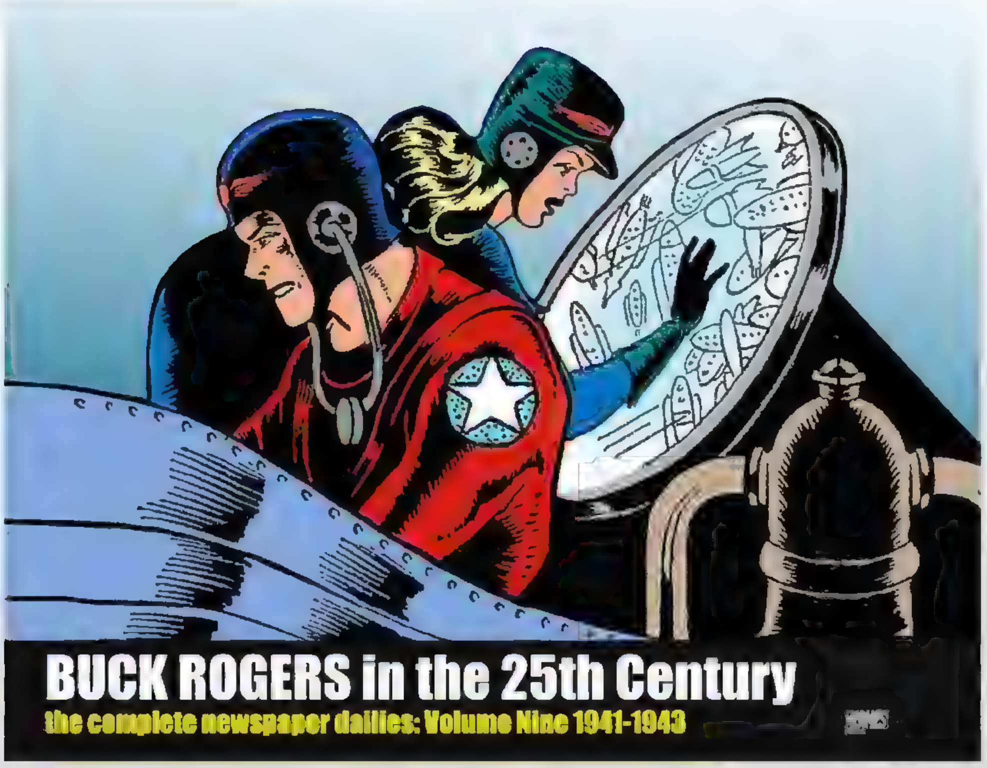
Volume Nine of the Definitive *Buck Rogers* Dailies Reprint Series



BUCK ROGERS in the 25th Century
the complete newspaper dailies: Volume Nine 1941-1943

Buck Rogers in the 25th Century: the Complete Newspaper Dailies Volume Nine 1941-1943; 9 x 11.75 inches; x 1.25 inches; 272 pages; color and black-and-white, hardcover with a printed laminated cover and dustjacket with endpapers, two complete years of the strip with two complete continuities; $49.99.

The saga of *Buck Rogers in the 25th Century*, the world's most famous science-fiction newspaper strip, continues with Volume Nine of Hermes Press' critically acclaimed complete reprint of this ground-breaking title.

Included in this volume are two more years of the strip, from 1941 to 1943, featuring two complete adventures including one of the strip's major story-lines, a Buck Rogers magnum opus, "Martins Invade Jupiter." This story, which spans 413 daily strips is one of the most involved, exciting adventures in the *Buck Rogers* canon. This volume also features as its second continuity, "Mechanical Bloodhound."

As with all *Buck Rogers* archival reprints the stories are supplemented by a special 16 page introductory essay detailing interesting details about the history of the strip and its impact on science and science-fiction. The strips contained in this volume have never been printed before and have been painstakingly restored to perfection!

Volume Three of the Definitive *Buck Rogers* Sundays Available Now!

Buck Rogers in the 25th Century The Complete Newspaper Sundays Three: 1937-1940; STK664321; artwork by Rick Yager; 11 x 14 inches; x 2 inches; 192 pages; all color, hardcover with printed laminated cover and dustjacket with endpapers; $75.

The saga of the Sunday version of *Buck Rogers in the 25th Century*, the world's most famous science-fiction newspaper strip, continues with Volume Three of Hermes Press' critically acclaimed, full color, large format, complete reprint of this ground-breaking title. In addition to all the strips, presented in their original tabloid format there is a treasure trove documentary material as well, certain to delight fans of the feature.

The srips feature Buddy Deering and Alura, with art by Rick Yager, the man who defined the art of *Buck Rogers*. This volume includes four more years of the strip, from 1937 to 1940. Volume Three also features a special 16 page introductory essay jammed with production artwork, toys, and promotionals. Volume Three features continuities with Buddy, Alura, Buck and Wilma. The strips contained in this volume have never been printed before and have been painstakingly restored to perfection!

HEREVILLE: HOW MIRKA CAUGHT A FISH HC

(W/A/CA) Barry Deutsch
Welcome back to Hereville, where Mirka, the world's first time-traveling, monster-fighting Orthodox Jewish girl, faces her greatest challenge yet: babysitting! Mirka just wants to find new adventures, but instead she's stuck babysitting her disapproving little sister, Layele. When Mirka pushes her sister into a stream, they both get in too deep with an angry magic fish. No matter how hard Mirka fights this fish-out-of-water, it gets stronger and stronger — and it's out for revenge. Mirka is in over her head, and this time, her whole family is on the line! ANDREWS MCMEEL

DILBERT: OPTIMISM SOUNDS EXHAUSTING HC

(W/A/CA) Scott Adams
Dilbert, the cubicle-dwelling drone, is at his satirical best with this new collection of cartoons. Dilbert has managed to keep up with technology like iPads and Twitter over the years, as well as advanced systems like the Disaster Preparedness Plan that has its followers eating the crumbs from their keyboards. It doesn't get any more sophisticated than that. Dilbert keeps doing what he does best: passive-aggressively out-witting his superiors and exercising conflict avoidance. No wonder office drones and workforce automatons alike can't resist the cold embrace of Dilbert's workplace. (STK685249) (C: 0-1-0)

GET FUZZY: CLEAN UP ON AISLE STUPID TP

(W/A/CA) Darby Conley
Welcome to the quirky — and always eccentric — household of human Rob Wilco. While his existence as an ad executive would be bland under normal circumstances, one mangy, temperamental cat and one docile dog make it anything but. In this *Get Fuzzy* collection, the ever-popular pairing of mischievous Bucky Katt and tolerant pooch Satchel return to comically define the separation between animal instinct and human nature. ZITS TREASURY: ZITS APOCALYPSE: ARE YOU READY? TP

(W) Jim Borgman
(A/CA) Jerry Scott
Zits artfully reminds readers what it's like to both be an adolescent and parent an adolescent. While fifteen-year-old son Jeremy is grappling with impending career choices and parental pearls of wisdom on topics ranging from driving to sex, parents Connie and Walt do their best to keep up with his latest trends, technology, and appetite cravings. (STK685251) (C: 0-1-0)

THE ARCHIE'S GREATEST HITS TP

(W/A) Various

Inspired by the runaway success of guitar-and-vocal groups like the Beatles, Byrds, and Beach Boys, The Archies made their debut in a 1967 issue of *Life with Archie*. It wasn't long before a group of studio musicians became The Archies "for real," and began recording music that would become bubblegum pop standards. *The Archie Show* premiered on the CBS network on September 14, 1968. An *Archies* album followed shortly thereafter and the hit single, "Sugar Sugar," became the top-selling single of 1969. Now fans can relive that history with some of The Archies' most tuneful tales in this collection! (STK369055)

SKY DOLL HC
Titan Comics

Fans of *Blade Runner*, *The Fifth Element*, and old-school 2-D animation, rejoice! Classically-trained Disney illustrators and comics artists Barbara Canepa & Alessandro Barbucci have brought their independent sci-fi space opera graphic novel to Titan Comics!

A rocket-romp across planets and satellites, *Sky Doll* tells a tale of ethics, religion, and adult toys. We flee across the stars with Noa, an android built for pleasure, and two at-times-devout missionaries. In pursuit are both factions of a warring church, seeking to either to enshrine/enslave or destroy/discredit Noa, who, despite being a wind-up lady-of-the-night, keeps performing public miracles. The trio are continually tested in friendship and in character: no portion of their religious or secular prior experiences has prepared them for the split-second decisions they face.

Sky Doll is a thrilling read and easily satisfies the tech & fantasy reader—but it invites re-reading and consideration as well. Not content with being just a sexy-sparky story, *Sky Doll*, like Noa herself, yearns to make a deeper point, to open further discussion, and to bring thought to bear on a spiritual topic that deserves examination.

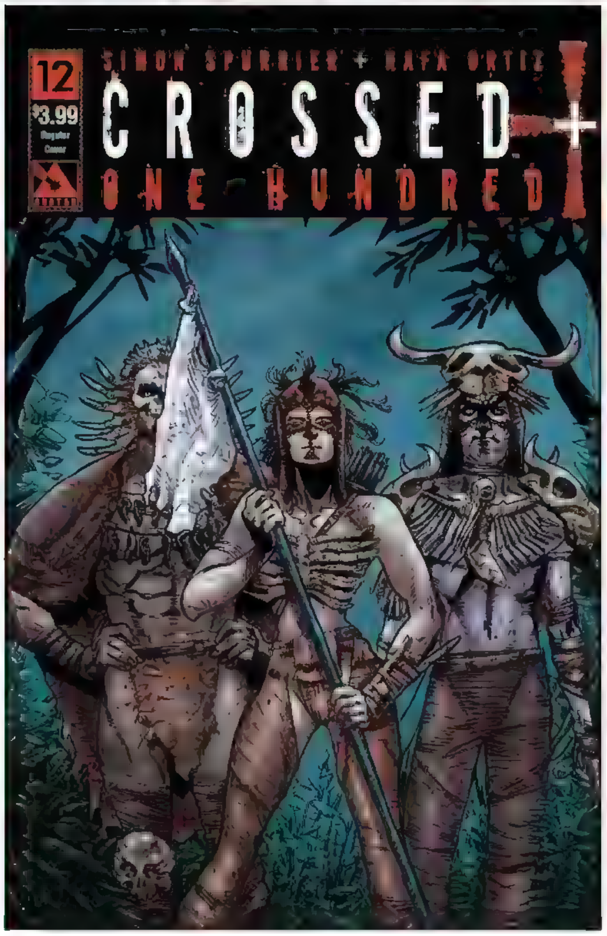
CROSSED VOL 14 HC

Retail Price: $27.99 US

Cover: Fernando Heinz • **Writer:** **Kieron Gillen** • **Art:** Rafa Ortiz • **MR, Color, 160 pages**

About: Kieron Gillen (*Uber, The Wicked+The Divine*) takes the horrors of the Crossed back to the ancient past where 75,000 years ago humanity came as close as it has ever come to being purged from the Earth. There were as few as 2000 humans remaining. This is historical fact. Why it came to this is generally blamed on super-volcano Toba causing a minor ice-age. But that's not the full story. That is not the history of the Homo Tortor, i.e. Man The Torturer. This empire before the beginning of time, that sends raiding parties gathering other Homo species and enormous mega-fauna, invented cruelty, refined domination, and perfected killing. And they think their power will last forever. There is no help, there is no hope. There is only the Crossed. This volume collects issues #75-80 of the ongoing Crossed: Badlands series. Available in paperback and hardcover editions.



CROSSED +100 #12

Retail Price: $3.99
Cover: German Erramouspe
Writer: Simon Spurrier • **Art:** Rafa Ortiz
MR, FC, 32pp, monthly

About: The second arc of the Alan Moore developed Crossed future exploration comes to a powerful conclusion. Simon Spurrier has pushed Future Taylor and her friends to the brink of disaster as the Crossed plague once more begins to flourish. Humanity barely survived its fracturing one hundred years ago and this newest outbreak could finish off the remnants of civilization once and for all. Several special themed covers continue to enrich the series:

American History X Wraparound - Each of these will depict a specific time in the past hundred years, showing how things have changed and offering a peek at some key events. Each cover will display the year in which it takes place to help build the full picture. Art by German Erramouspe.

Crossed Wires - The Crossed just don't see or make things the same way a person would, these images celebrate that day-to-day madness. Art by Christian Zanier.

Disastered - These will show how America has changed since the original Crossed outbreak. Art by Christian Zanier.

Horrific Homage - What if the Crossed were there from the very beginning of comics? This edition will be an Homage to a great Golden Age cover. Art by Michael DiPascale.

Wishful Fiction - The evolution of science-fiction would have been very different with the Crossed as we show you here! Art by Jacen Burrows.

APOCALYPSE MEOW MEOW GN
(W/A/CA) James Proimos Jr
Fans of *Big Nate* will love this hilarious graphic novel about the end of the world — and the dogs and cats left behind! Brownie, Apollo, and their ragtag group of strays have raided the grocery store and defeated some very mean mutts — but now they've run out of food. So when the crew discovers a nearby Twonkies factory, and all the Twonkies they could ever eat, they think they've got it made. The only catch is the cat guarding the factory — and this "cat" is **much** bigger, and far more sophisticated, than any feline they've ever met. Can the dogs and their friends defeat their foe and claim the Twonkies for themselves? (STK684724) (C: 0-1-0)

GRANT MORRISON ON KLAUS

When we talk about superheroes, there's one prominent, universally recognized character who tends to get left off the list, but consider this:

He defies the laws of physics by travelling around the world at impossible speeds. He has his own personal flying car, his own helpers, his own secret Arctic hideout, and a clearly defined mission. He's an immortal who loves humanity—especially kids—so much he personally delivers tailor-made gifts to millions of people each year. He even wears a distinctive red-and-white uniform.

Everyone knows his name and it might even be true to say that he's more popular than Batman or Spider-Man, yet he doesn't have his own comic book series, or film franchise.

Who is this unsung costumed paragon of incredible power and infinite generosity?

I'm talking about Santa Claus, of course.

Most of us wouldn't think of Santa Claus as a superhero—he's a folk tale, a personification of a holiday, a corporate mascot even—but that's exactly what I set out to do in ***Klaus***. Looking at Santa Claus from the skewed perspective of a "cape fiction" writer led me to wonder why we know so little about a character we've all known so well all our lives. Superman comes from a distant planet, Iron Man is a genius inventor, but Santa Claus is a blank slate. There's no definitive "origin" story, no recurring supporting cast, no evil nemesis, and no secret identity.

Until now.

In ***Klaus***, the brilliant artist Dan Mora and I are combining the tropes of superhero stories with epic fantasy to create our new take on the secret history of Santa Claus. We plan to explore the early years of the man known as Father Christmas; who is Santa Claus really? What was he like when he was young? How did he get his start? Why does he do what he does? How does he do it? What's the deal with the chimneys?

And where does he get all those wonderful toys?

Klaus is the story of our hero's greatest challenge and how he overcame it. This is the tale of one man and his wolf against a totalitarian state and the ancient evil that sustains it. Part action thriller, part sword-and-sorcery, part romance, part science fiction, ***Klaus*** has given us free rein to revamp, reinvent and re-imagine a classic superhero for the 21st century. He's making a list and he's checking it twice. This Christmas, it's all about psychedelic shamanism, anti-authoritarian guerrilla gift-giving, and the jingle bells of freedom!

And you'll finally discover the answer to the burning question: What does Santa Claus do on the other 364 days a year?

KLAUS #1 (OF 6)

Written by **Grant Morrison**
Illustrated by **Dan Mora**
Covers by **Dan Mora**, **Frazer Irving** *(Jackpot Variant)*, **Brian Stelfreeze** *(Ten Years Variant INCV)*, **Chris Burnham** *(INCV)*
$3.99 • 32 Pages • Full Color

WHAT'S TO LOVE

Grant Morrison is one of the most prolific and best-selling writers in comics, earning a reputation for his ability to effectively revamp superheroes like *Animal Man*, *Batman*, and the *X-Men*. His creator owned titles are also highly praised, including *The Invisibles*, *Nameless*, *We3*, and *Joe the Barbarian* because no one tells mythical stories better than him. In ***Klaus***, Grant reimagines one of the biggest cultural myths in history, and we could not be more excited to pair him with one of our homegrown talents, Dan Mora *(Hexed)*!

WHAT IT IS

Set in a dark fantastic past of myth and magic, ***Klaus*** tells the story of how Santa Claus really came to be. Where did he begin? What was he like when he was young? And what happens when he faces his greatest challenge? Drawing on Santa Claus' wilder roots in Viking lore and Siberian shamanism— taking in the creepier side of Christmas, and characters like the sinister Krampus—***Klaus*** is "Santa Claus: Year One."

Written by **Phillip Kennedy Johnson**
Illustrated by **Matthew Dow Smith**
Covers by **Tonci Zonjic**, **Brian Stelfreeze** *(Ten Years Variant INCV)*, **Matthew Dow Smith** *(INCV)*
$3.99 • 32 Pages • Full Color

WHAT'S TO LOVE

We were instantly taken with newcomer Phillip Kennedy Johnson's inventive high concept story and mature characterization. Throw in a crime thriller element and Matthew Dow Smith's moody art and ***Last Sons of America*** can be the perfect answer to the question, "What if Elmore Leonard directed *Children of Men?*"

WHAT IT IS

When a biological terrorist attack makes it impossible for anyone in America to conceive children, adoption of kids from other counties explodes. Brothers Jackie and Julian are adoption agents based in Nicaragua. They usually do all their options through legal means, but they're facing increasing competition from straight-up kidnappers. One desperate move from Jackie could put them in the cross-hairs of some very dangerous people.

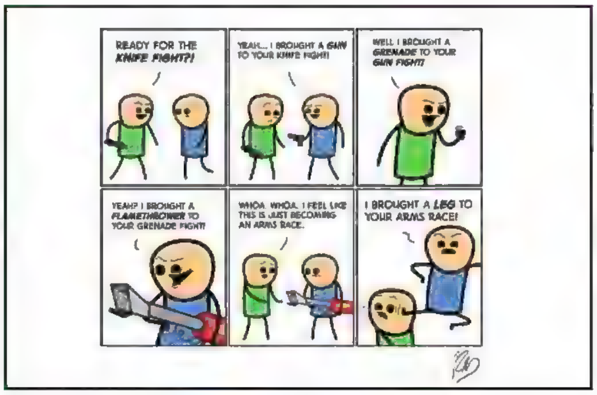
CYANIDE & HAPPINESS: PUNCHING ZOO TP

WHAT'S TO LOVE

Cyanide & Happiness is one of the longest-running, most popular, humor comic strips on the web, easily earning millions of hits per week. With its crudely drawn art and snarky humor, ***Cyanide & Happiness*** has touched many a funny bone and is accessible to a legion of fans worldwide.

WHAT IT IS

Once again, creators Kris Wilson, Rob DenBleyker, and Dave McElfatrick combine some of their best strips and a host of never-before-seen comics into a new, collected book. In the best, sickest tradition, ***Cyanide & Happiness'*** simply drawn figures and the wildly inappropriate topics they cover—including cannibalism, murder, and incest—is most reminiscent of *South Park*, but offers a profane sensibility all its own. Includes a foreword by comedian Bo Burnham and ***Poetry Corner***, a collection of demented rhymes.



READY FOR THE KNIFE FIGHT?!
YEAH... I BROUGHT A GUN TO YOUR KNIFE FIGHT!
WELL I BROUGHT A GRENADE TO YOUR GUN FIGHT!
YEAH? I BROUGHT A FLAMETHROWER TO YOUR GRENADE FIGHT!

WHAT'S TO LOVE

Officially set in continuity of the new films, writer Michael Moreci *(Burning Fields)* and artist Dan McDaid *(Mind the Gap)* effectively bridge together events between ***Dawn of the Planet of the Apes*** and ***Rise of the Planet of the Apes***, offering additional details and insight into the mindsets of apes Caesar and Koba, and human Malcolm.

WHAT IT IS

Two years following the events of ***Rise of the Planet of the Apes***, humanity has fallen, giving way to the dawn of Caesar's civilization. While the apes of the world find themselves unable to advance as a species, Caesar and Koba work tirelessly to find a way to unify them to join their cause. On the other side of the country, Malcolm must venture into the decaying Americas with his family to find a cure for the plague slowly killing his wife while world powers shift and civilizations simultaneously collapse and rise. STAR of the MONTH

BONE VOLUME 3: EYE OF THE STORM SC (COLOR EDITION)

(W/A/CA) Jeff Smith

Lucius, Smiley, and Phoney survive an attack by the rat creatures and return safely to Lucius' tavern in Barrelhaven. Phoney, desperate to win a bet with Lucius, stokes the townspeople's fear of dragons and boasts that he is a professional dragonslayer. Back at the farm, Fone Bone and Thorn are troubled by strange dreams, and Gran'ma Ben's reaction to them is stranger still: She reveals long-kept secrets and warns of great danger. Thorn, Fone Bone, and Gran'ma Ben may have to leave the farm forever. (STK469210) (MAR128111) (C: 1-0-0) **NOTE:** Available only in the United States and Canada.

KENYA VOLUME 5: ILLUSIONS GN

(W) Rodolphe (A/CA) LEO

The conclusion of an investigation on the edges of reality. After the extraordinary events of Lake Victoria, the Soviet agents let Kathy Austin and her companions go. On their way back to Mombasa, the group stops to speak to Lord Balmer, who was taken in by the Maasai. The Lord has lost his mind, and tells them a wild story of extraterrestrials and apocalypse — but is the story so fantastic after all? Will Kathy manage to find an explanation to the mysteries of Kenya, and maybe tangible proof? (STK687560) (C: 0-1-1)

From the pages of Bill Willingham's Legenderry: A Steampunk Adventure... it's Red Sonja, the crimson-tressed rogue and ruffian, facing off against science run amok in a tale by writer Marc Andreyko and artist Aneke. Against a Neo-Victorian backdrop of clockworks and Tesla coils, fantasy's most fearless heroine sets sail through a whole new world of adventure and intrigue!

After a year on the run under the assumed identity of Magna Spadarossa, Red Sonja returns to fiery form as an ale-swilling, rapier-swinging ship captain... but it's only a matter of time until she's called to action, drawn into a madman's plot to conquer the world! Befriending Elizabeth, the undead bride of Victor Frankenstein, Sonja discovers that the evil scientist has been kidnapping inventors and professors to steal their secrets and raise an unstoppable monster army. Will the She-Devil with a Sword unravel the plot in time, or will she fall victim to the mad doctor and his ally, the dreaded Captain Nemo?

To prove themselves to the Pathfinder Society, Valeros the fighter and his companions must recount tales of their early exploits in a world beset by magic and evil. Thrill to the solo adventures of Valeros, holy warrior Kyra, Seoni the sorcerer, martial artist Sijan, Harsk the dwarven ranger, and Ezren the wizard, as they journey treacherous lands, survive wild creatures and fairy magic, unearth ancient threats, and prove their heroism time and time again!

With six captivating stories (each connected by a common narrative thread) and explosive artwork, this fourth volume in the Pathfinder graphic novel series expands upon the mythos of Paizo's award-winning fantasy world, fiction line, and tabletop RPG. The collection features Pathfinder: Origins issues #1-6 by Erik Mona (Publisher of Paizo Publishing, LLC), game designers James L. Sutter and F. Wesley Schneider, and artists Tom Garcia, Kevin Stokes, and Leandro Oliviera; a cover gallery of 30 beautiful images; twenty-four pages of characters and world detail for the Pathfinder RPG, and a removable poster-map of the region explored in the graphic novel.

From the acclaimed creative team of Gail Simone (Birds of Prey, Batgirl) and Walter Geovani comes an all-new Red Sonja epic that will shake the She-Devil to her core! While the Hyrkanian warrior aids a small village against the ravages of a rampant parasite, she picks up the trail of the man she hates and distrusts most in the world: the last survivor of the marauders who murdered her family. In the grip of a vengeful obsession that is all-consuming, the heroine barely recognizes herself. Can even the unconquerable Red Sonja return from a darkness so complete?

Includes an original script by Gail Simone, as well as extensive cover gallery by talented female artists, hand-picked by Gail Simone, including Jenny Frison, Stephanie Buscema, Renae De Liz, Yasmin Liang, Emma Vieceli, Cat Staggs, Rebecca Isaacs, and Adriana Melo.

Nancy A. Collins, the bestselling author of Sunglasses After Dark, Vamps, and Swamp Thing, redefines the horror heroine Vampirella for a new generation of horror comic fans! When Vampirella assumes her new role as Queen of the Nosferatu, she inherits a membership into The Kabal, a clandestine organization of witches, werewolves, vampires, and other supernatural creatures. Sworn to protect the status quo of their shadow world, The Kabal hunts down and neutralizes renegade monsters and fanatical cultists before they can trigger the Apocalypse. As a strange rabies-like plague spreads through the slums of Sao Paolo, infecting its victims with homicidal fury, Vampirella races off in pursuit of Dr. Faustus, the creator of the disease. But the mad scientist is only one part in a global plot of destruction, and his fellow conspirators are perhaps too long-lived and powerful to defeat!

This volume collects issues 7-13 of the hit series and features a complete cover gallery, and an original script by Nancy A. Collins!

Blankets

CRAIG THOMPSON

BLANKETS (DRAWN & QUARTERLY EDITION)

(W/A/CA) Craig Thompson

The graphic novel classic, available for the first time in a new Drawn & Quarterly edition! *Blankets* is the story of a young man coming of age and finding the confidence to express his creative voice. Craig Thompson's poignant graphic memoir plays out against the backdrop of a Midwestern winterscape: finely-hewn linework draws together a portrait of small town life, a rigorously fundamentalist Christian childhood, and a lonely, emotionally mixed-up adolescence. Under an engulfing blanket of snow, Craig and Raina fall in love at winter church camp, revealing to one another their struggles with faith and their dreams of escape. This groundbreaking graphic novel, winner of two Eisner and three Harvey Awards, is an eloquent portrait of adolescent yearning; first love (and first heartache); faith in crisis; and the process of moving beyond all of that. PUKE FORCE HC

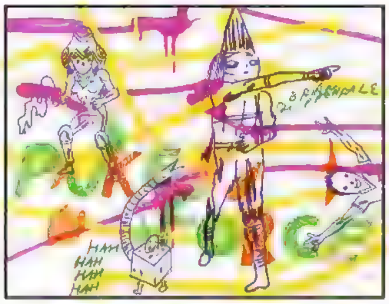
(W/A/CA) Brian Chippendale



Puke Force is social satire written dark and dense across Chippendale's deconstructed multiverse of walking, talking M&Ms, hamsters, and cycloptic-yet-glamorous trivia hosts. He takes on social media narcissism, governmental propaganda, racism, the hypocrisies of the Left, and a culture of violence. Throughout this dystopic graphic novel, Brian Chippendale uses humor and a frantic drawing style to show how the insidious nature of corporate greed and the commodification of everything have warped society into a killing machine. Sardonic and self-aware, *Puke Force* asks all the right questions, providing a startling and on-point take on contemporary social issues. (STK687610) (C: 0-0-1)

SHIGERU MIZUKI'S HITLER TP

(W/A/CA) Shigeru Mizuki

Seventy years after his death, Adolf Hitler remains a mystery. With Shigeru Mizuki's *Hitler*, the manga-ka (*Kitaro, NonNonba, Showa: A History of Japan*) delves deep into the history books to create an absorbing and eloquent portrait of Hitler's life. Beginning with Hitler's time in Austria as a starving art student and ending with a Germany in ruins, Shigeru Mizuki retraces the path Hitler took in life, coolly examining his charismatic appeal and his calculated political maneuvering. In Mizuki's signature style, which populates incredibly realistic backgrounds with cartoony people, Japan's most famous living cartoonist has created an overview of Hitler's life as fascinating as it is informative. SIP KIDS: THE COLLECTED EDITION TP

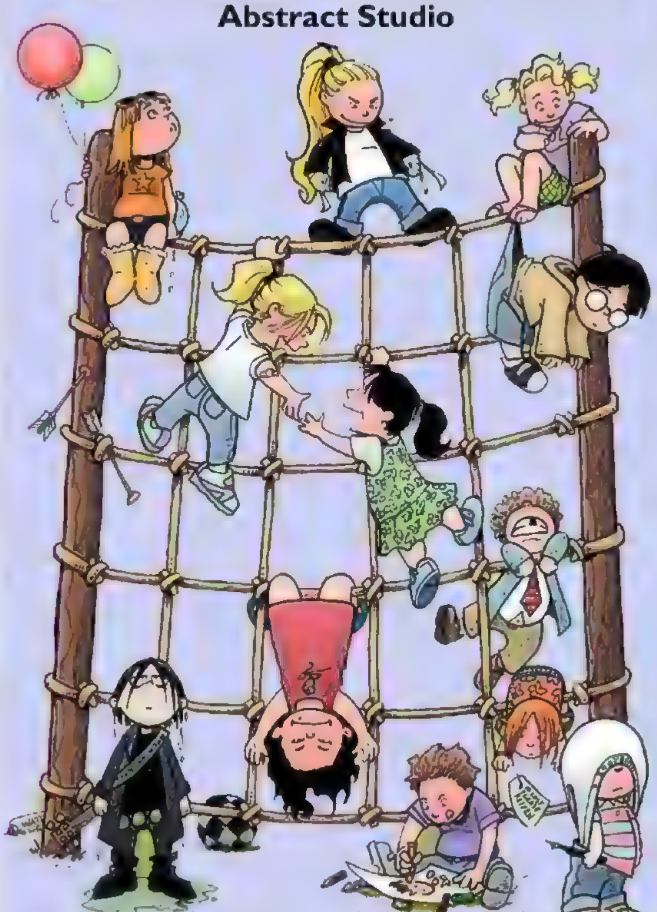
Abstract Studio



Having read all the adventures of Francine and Katchoo — friends, frenemies, and acquaintances — you had to wonder what they were like growing up (or at least when they were younger; I don't think Freddie ever grew up).

Terry Moore, after too long an absence, returns to these characters we've growth to love, hate and, in some cases, reluctantly abide. In *SIP Kids: The Collected Edition* we are treated to a unique view of those characters that allow Terry to bring out the comic strip cartoonist/humorist we haven't seen since the days of *Paradise Too*. With the superb coloring of Steve Hamaker, primarily known for his work on the *Bone* color editions, we are treated to stories told in a world befitting Charles Schulz and Crockett Johnson.

This trade collects the stories from the four issue mini-series that focused on a different seasons of the year.

From Francine & Katchoo in "The Case of the Missing PB&J Sandwich" to that of the mysterious kissing bandit to Casey's attack on David's "No girls" treehouse (He-Man Women Haters Club?) to Francine and Freddie trying to sneak Katchoo into her family get-together, they can't help but get in trouble even at the age of six.

If Terry should ever decide to take a break from *Rachel Rising* and decide to do this on a regular basis, I'd be fine with it though I'd want some pages featuring Kixie as well.

SIP Kids: The Collected Edition is my favorite all-ages comic and now trade, particularly since Jimmy Gownley has stepped away from *Amelia Rules!*

Hard to believe this all started with Antarctic Press giving a series like *Strangers in Paradise* a try, and now Abstract Studio and Robyn and Terry Moore still show us how indie comics are supposed to be done.

IT'S A GOOD LIFE IF YOU DON'T WEAKEN TP
(W/A/CA) Seth
While trying to understand his ennui, Seth discovers the life and work of Kalo, a forgotten *New Yorker* cartoonist from the 1940s. But his obsession blinds him to the needs of his lover and the quiet desperation of his family. Wry self-reflection and moody colors characterize this tale about learning lessons from nostalgia. His playful and sophisticated experiment with memoir provoked a furious debate among cartoon historians and archivists about the existence of Kalo, and prompted a *Details* feature about Seth's "hoax." WOMAN REBEL: THE MARGARET SANGER STORY HC
(W/A/CA) Peter Bagge
Peter Bagge's *Woman Rebel: The Margaret Sanger Story* is a dazzling and accessible biography of the social and political maverick. Bagge presents the life of the birth-control activist, educator, nurse, mother, and protofeminist from her birth in the late 19th-century to her death after the invention of the birth control pill. Balancing humor and respect, Bagge makes Sanger whole and human, showing how her flaws fueled her fiery activism just as much as her compassionate nature did. Bagge creates a fast-paced portrait of a trailblazer whose legacy as the founder of Planned Parenthood is still incredibly relevant, important, and inspiring. (STK620838)

SHOWA: A HISTORY OF JAPAN TP
(W/A/CA) Shigeru Mizuki
Showa: A History of Japan is the Shigeru Mizuki's meticulously researched historical portrait of twentieth-century Japan. These 560-page volumes chart Japan's national history from the decades before World War II through the war, its defeat and occupation, and rebirth alongside the personal stories of the individuals living their lives against this momentous history. With his trusty narrator Rat Man, Mizuki brings history into the realm of the personal, making it palatable, and indeed compelling, for young audiences as well as more mature readers. (STK622625)

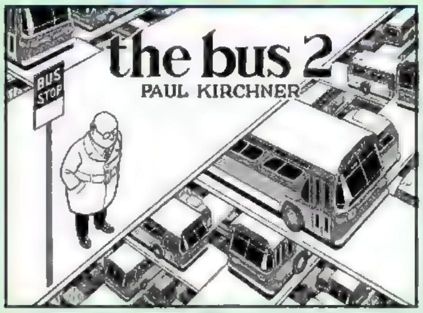
SPOTLIGHT ON



PAUL KIRCHNER: THE BUS 2 HC
(W/A/CA)
Paul Kirchner
Between 1974 and 1986, Paul Kirchner created several comic strips such as Dope Rider and the bus. In 2012, French publisher Tanibis published an anthology of the bus strips that was nominated at the Angouleme International festival, proving that even a 30-year-old public transportation vehicle can take part in a Grand Prix. In 2013, Kirchner decided to relaunch the bus. His new ideas are on par with the original strips, proving that his creativity didn't end with the 80s. The crazy cartoon logic of the original strips is still present, and wackiness is the norm. (STK686994) (C: 0-1-0) **NOTE:** Not available in France, Belgium, Canada, or Switzerland.

DARE TO DISAPPOINT: GROWING UP IN TURKEY GN
(W/A/CA) Ozge Samanci
Growing up on the Aegean coast, Ozge loved the sea and imagined a life of adventure while her parents and society demanded predictability. Her dad expected Ozge to become an engineer. She tried to hear her own voice over his and the religious and militaristic tensions of Turkey and the conflicts between secularism and fundamentalism. Could she be a scuba diver like Jacques Cousteau? A stage actress? Would it be possible to please everyone including herself? In her graphic memoir, Ozge recounts her story using inventive collages, weaving together images of the sea, politics, science, and friendship. (STK684721) (C: 0-1-0)

BLUBBER #2

by Gilbert Hernandez

$3.99 / Comic / 24 pgs / 6.5 x 10

Humans have joined the cast of animals! A super special agent is sent to rid the forest region of the carnivorous Pollum (as seen in #1). A naked superwoman must find a secret lost artifact in order for the Blubber strip club to continue in business! A priest and his colleagues hunt down zombies! Over the top violence and explicit sex take us to a place where most comics fear to go!

HIP HOP FAMILY TREE #4

by Ed Piskor

$3.99 / Comic / 32 pgs / FC / 6.5 x 10

The best-seller is action packed in this issue. Rap battles will never be the same after Kool Moe Dee gets done with Busy Bee Starski in their legendary confrontation. Blondies "Rapture" plays on the first day's broadcast of a new channel called MTV. Grandmaster Flash and other rap groups get seduced by Sugar Hill Records.

DINOMANIA: THE LOST ART OF WINSOR MCCAY, THE SECRET ORIGINS OF KING KONG, AND THE URGE TO DESTROY NEW YORK

by Ulrich Merkl

$95.00 / HC / 296 pgs / FC / 11.75 x 15.75

This recently discovered comic strip by cartooning pioneer Winsor McCay opens a surprising new window into McCay's life and work and showcases his exquisitely beautiful delineations (reproduced from the original art). Merkl explores the influences McCay brought to the strip— from Gertie the Dinosaur to the animation in 1933's King Kong — and the growth of New York City from the Holland Tunnel to the Empire State Building—and traces our love of dinosaurs and monster movies down through the decades.

By Charles M. Schulz; Introduction by Jonathan Franzen Introductions by Matt Groening & Jonathan Franzen

$39.99 / SC / Two 328-page books in custom slipcase / PC / 8.25x6.5

In this fourth paperback volume, the 1950s close and *Peanuts* enters its golden age. Linus becomes downright eloquent and begins to fend off Lucy's bullying, although his neurosis becomes more pronounced, including a harrowing two-weeks of blanketlessness. Charlie Brown cascades further down the hill to loserdom, with lost kites and humiliating baseball losses. But the rising star is undoubtedly Snoopy.

Also available for the holidays is a gift box containing this volume and Vol. 3 1955-1956.

FEATURED IN THIS MONTH'S *COMPLETE PEANUTS*: AN INTRODUCTION BY SPY WRITER/DIRECTOR AND *PEANUTS MOVIE* PRODUCER **PAUL FEIG!**

I still belly laugh every time I read the strips. When I came onboard *The Peanuts Movie* as a producer, the first thing I did was reread all the strips to refresh myself… I remembered that *Peanuts* was funny but I had forgotten just how funny it was. And how masterfully done it was. Snoopy biting into Lucy's blow-up pool and deflating it as an act of revenge still makes me laugh to this day. Charles Schulz's pen and skill at making the complicated look simple and effortless has stuck with me throughout my comedy-directing career. His humor is never forced or far from pathos and emotionality. He hangs in wordless frames that allow us to take in a character's inner reaction to whatever has just happened to them. This is not a desperate attempt at getting laughs or trying to force jokes on we the readers. This is a confident, self-assured master letting us in on the human condition in its most honest, relatable, and funniest way.

COMING IN OCTOBER:

SNOOPY VS. THE RED BARON

IMAGINATION TO BURN

Self Storage #2

The writer of the hit YA series The Tribe, Marvel's Spider-Verse mini series and the upcoming thriller The Boy, unlocks a horror thriller with equal doses of laughs and gut wrenching screams. To make ends meet, Chris pays to acquire the discarded and long forgotten contents of abandoned self storage units. What he finds inside his latest acquisition however is something unlike anything he has seen before... and her name is Jessica! Horrified and mystified, Chris is stuck with a storage unit with an undead female.

ASTERIX AND THE MISSING SCROLL HC

(W) Jean-Yves Ferri
(A/CA) Didier Conrad
You'll have to wait until October to discover *Asterix and the Missing Scroll*, the 36th album of the adventures of Asterix. In the meantime, why not look through all your old albums and make a list of all the regions our gallant warriors have already visited? Because it's official: for this new adventure, Asterix and Obelix will stay in Gaul, as the tradition of Asterix albums dictates. But which region of Gaul remains to be discovered? What will be the theme? And what ruses will Caesar use this time to achieve his ends? Speculation is well underway on social media, but one thing is for sure: there will be battles aplenty! And yes, there will be new characters, including one really nasty one! Yes, there will be potions and Romans who get "walloped". Yes, the plot will be complex and thrilling and yes, there will be jokes about topical issues too... In short, another *Asterix* just the way we like it, is on its way! So yes, it's official, the Gauls are making a comeback: It seems that Caesar is still in "I came, I saw," mode. As for "I conquered," well we'll see about that! Titan Comics

Fans of *Blade Runner*, *The Fifth Element*, and old-school 2-D animation, rejoice! Classically-trained Disney illustrators and comics artists Barbara Canepa & Alessandro Barbucci have brought their independent sci-fi space opera graphic novel to Titan Comics!

A rocket-romp across planets and satellites, *Sky Doll* tells a tale of ethics, religion, and adult toys. We flee across the stars with Noa, an android built for pleasure, and two at-times-devout missionaries. In pursuit are both factions of a warring church, seeking to either to enshrine/enslave or destroy/discredit Noa, who, despite being a wind-up lady-of-the-night, keeps performing public miracles. The trio are continually tested in friendship and in character: no portion of their religious or secular prior experiences has prepared them for the split-second decisions they face.

Sky Doll is a thrilling read and easily satisfies the tech & fantasy reader—but it invites re-reading and consideration as well. Not content with being just a sexy-sparky story, *Sky Doll*, like Noa herself, yearns to make a deeper point, to open further discussion, and to bring thought to bear on a spiritual topic that deserves examination.

MICHIRU MORIKAWA

THE FACELESS GHOST GN
(W) Sean Michael Wilson
(A/CA) Michiru Morikawa
Over one hundred years ago, the writer Lafcadio Hearn gathered and translated into English a selection of traditional Japanese ghost/mystery stories. They were published as *Kwaidan: Stories and Studies of Strange Things*. In this new graphic novel, acclaimed manga creator Sean Michael Wilson retells six of these stories. All of them are very well known in Japan, where ghosts and demons are often called *yokai*, meaning "the mysterious and weird." Today these stories find expression mostly in movies and manga, but they remain rooted in the traditional ghost stories of the Edo-era known as *kaidan*, which means "recited narrative of strange, mysterious, rare, or bewitching apparitions." WILL EISNER: CHAMPION OF THE GRAPHIC NOVEL

Abrams Comic Arts

When you think of comics and storytelling, one of the first name that pops into your head should be Will Eisner. Eisner is considered by many the modern day creator of the graphic novel with the Baronet edition of *A Contract with God and Other Tenement Stories.* With my introduction to the Spirit in Jules Feiffer's *Great Comic Book Heroes*, I knew I had to find *Spirit* comic books. Atlanta was not the easiest place to find back issues, but thanks to Harvey's issues of *The Spirit* I could finally see what made Eisner the dean of comic book storytellers.

Now Paul Levitz, who's proven his comic historian credentials with Taschen's *75 Years of DC Comics*, has written *Will Eisner: Champion of the Graphic Novel*. This book is a tribute that celebrates Eisner and his important contribution to the comic book industry from the early studio days and *The Spirit* on to the twenty plus original graphic novels from his first, *Contract with God* to *The Plot: The Secret Story of The Protocols of the Elders of Zion*, the last graphic novel produced prior to his death.

Will Eisner: Champion of the Graphic Novel also features an introduction by novelist and comic book author Brad Meltzer. This book featuring unpublished and rare art, photographs, letters, and sketches from the archives. It also contains original interviews with creators such as Jules Feiffer, Art Spiegelman, Scott McCloud, Jeff Smith, and Neil Gaiman.

This book from Abrams ComicArt is another fine addition to their line of books which includes *Kirby: King of the Comics, Out of Line: The Art of Jules Feiffer, The Art of Harvey Kurtzman*, and *PS Magazine Best Preventive Maintenance Monthly* featuring work by Eisner and his studio.

This will be a great book to add to the book shelves next to the DC and Dark Horse *Spirit Archives*, the WW Norton Eisner library, as well as my other books on Eisner like *Will Eisner: A Dreamer's Life in Comics, Will Eisner: A Retrospective MOCCA, Will Eisner: A Spirted Life*, and *The Will Eisner Companion.*

WHITE BOY IN SKULL VALLEY: THE COMPLETE SUNDAY COMICS 1933-1936 HC
(W/A/CA) Garrett Price
From famed *New Yorker* illustrator Garrett Price comes one of the lost treasures of American Comic Strips. *White Boy* celebrates the life and culture of the American Indian of the Old West unique in popular culture; an adventurous, humorous, coming-of-age story seen from the point of view of a small Native American tribe and their adopted teenage boy. Here is the complete *White Boy in Skull Valley* saga, seen for the first time in 80 years. It remains one of the more remarkable achievements in comics, with pioneering storytelling and artistic creativity that stands the test of time. (STK686571)

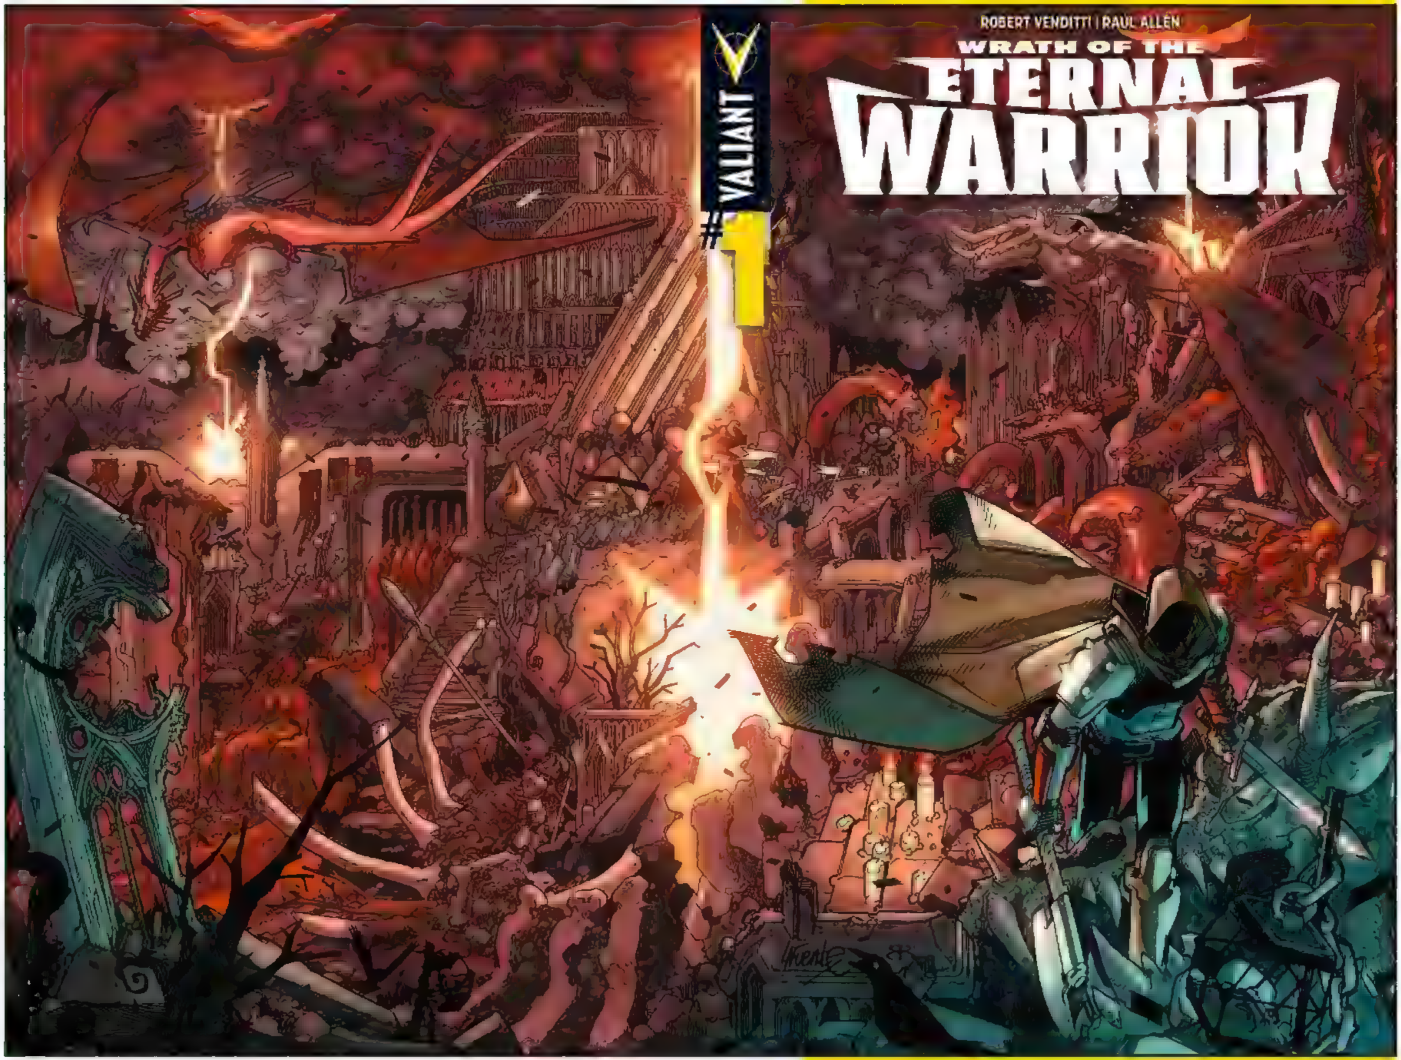
WRATH OF THE ETERNAL WARRIOR #1

AN ALL-NEW ONGOING SERIES!



For five millennia, the Eternal Warrior has shaped history at the end of his sword. He's razed empires, toppled civilizations, and broken armies as an immortal soldier in service to the Earth.

But now, the Eternal Warrior has been torn from the world he once protected and finds himself stranded in a hostile alien landscape unlike any he's faced before. Separated from his earthly environs, can history's deadliest soldier survive a realm far older, far deadlier, and fare more ruinous than anything he's ever encountered? Beyond Earth lies eternity...

This November, New York Times best-selling writer Robert Venditti (BOOK OF DEATH, X-O MANOWAR) and visionary artist Raúl Allén (NINJAK, *Hawkeye*) forge a new legend for Valiant's master of war with an all-new ongoing series in...WRATH OF THE ETERNAL WARRIOR #1!

WRATH OF THE ETERNAL WARRIOR #1

WAGING WAR WITH WRITER ROBERT VENDITTI

In the aftermath of BOOK OF DEATH, what made the Eternal Warrior a character that you wanted to launch into his own ongoing series?

RV: From the very beginning, when I was researching characters to pitch on for Valiant, there were two that really jumped out at me: X-O Manowar and the Eternal Warrior. I think it's a common tendency for people to look at both of them and see a similarity, but to me they're polar opposites of each other. Aric was picked up from his own time, enslaved and returned to Earth in the modern day. He missed sixteen centuries of history. Gilad is someone who has lived every single one of those days – plus thousands more – so he's far wiser and far more experienced... He's a living document – living history. So for me, that makes him a completely unique Valiant character. That's certainly going to be a huge part of what I intend to focus on during my run.

What is Gilad going to be going top against in WRATH OF THE ETERNAL WARRIOR? What is the premise of his new series?

RV: Gilad is an immortal character, which is something we're familiar with from pop culture and mythology, but [WRATH OF THE ETERNAL WARRIOR] is a take on immortality that I don't recall having seen before. It's going to deal much more with immortality as a concept and focus a lot on the cost of being immortal. What does Gilad have to sacrifice in order to do what he does? And, even more importantly, why does he do it? Why does he sacrifice? Why does he come back and fight for us when he could give up if he wanted to? I think we live in a pessimistic time, where the focus is always on how bad things are and they're only going to get worse. For someone like Gilad, he'd have to be an eternal optimist in a lot of ways... He'd have to see an improvement across the ages, otherwise he'd just give up and stop the fight. We'll be spending a lot of time on those kinds of themes, introducing ideas and conflicts that we haven't ever seen him encounter before, right from page one.

Throughout the ages, Gilad has always had a mission or person to protect in the Geomancer. WRATH OF THE ETERNAL WARRIOR looks like its going to put him a different position - one where is going to have to become his own biggest priority for the first time in many years. Is that the case?

RV: I wouldn't say he's his own biggest priority. His new predicament, where he's going to find himself at the open of the series, is going to be his biggest priority. His main goal is to get back to the Earth, and not just look after the Geomancer, but look after Earth as well. He believes in humanity. He believes in what we can be. He's spent his entire existence trying to mold that into something better, and he's going to continue to do so, but he's not going to be able to do that from the location where he finds himself at the opening of this series. His focus is going to be getting himself in a position where he can continue doing the things that he's done. A lot has been accomplished, but his battle is far from over.

Raúl Allén has done phenomenal work on many Valiant covers in the past, but will be taking on full interior duties here for WRATH OF THE ETERNAL WARRIOR. Are you excited to be working with him on the series and what is he bringing to the page so far?

RV: I'm tremendously excited. In seeing some of the interiors he's doing for NINJAK #6, just the way he approaches the page with the outside-the-box thinking that he uses, it's a perfect fit for an unconventional approach to a story about an immortal character. I'm excited to see what he comes up with. He's an artist that has such a singular vision.

To date, we've seen important locations beyond Earth like the Faraway, the planet Loam, and New Japan. What can you tell us about the setting of the new series and how important will it be to the Valiant Universe going forward?

RV: I can't get into too much detail without giving away spoilers. But what I can say is that it's completely different from all the ones you mentioned. This is absolutely a setting we've never seen the Eternal Warrior encounter before and one that has never been seen in the entire history of Valiant. We're building some new concepts and adding some new locations that are going to be sticking around for a very long time.

"THE VINE IMPERATIVE" boils over!

The world is suspended within balances of power. Tense and delicate terms of peace, crisscrossing and humming just below the surface. The Vine plantings, undercover alien spies of a galaxy-spanning race, hold positions of influence all over the planet. Toyo Harada, Earth's most unstoppable psiot, amassed a bedrock of power through his corporate, political, and super-powered maneuverings. THE VALIANT DELUXE EDITION HC

From New York Times best-selling writers Jeff Lemire (BLOODSHOT REBORN, *Green Arrow*) and Matt Kindt (NINJAK, *Mind MGMT*), and Eisner award-winning artist Paolo Rivera (*Daredevil*) comes an epic ten millennia in the making – now in deluxe oversized hardcover format!

The Eternal Warrior has protected the Earth for more than 10,000 years. A master of countless weapons and long forgotten martial arts, he is guided by the Geomancers – those who speak for the Earth. During his long watch, the Eternal Warrior has failed three times. Each time, the Geomancer was killed...and a new dark age for humanity began. Each time, he was unable to stop The Immortal Enemy - a monstrous force of nature. A civilization killer. A horror that appears differently each time it arrives...and whose seemingly only purpose is to bring disorder and darkness to the world. Now, the time has come for The Immortal Enemy to return once more. But, this time, the Eternal Warrior will be ready. This time, he has a force greater than any single warrior. This time, he has...THE VALIANT.

At the height of the Cold War, the Soviet Union - determined to win the Space Race at any cost - green lit a dangerously advanced mission. They sent a man farther into the cosmos than anyone has gone before or since. Lost in the stars, he encountered something unknown. Something that...changed him.

Long thought lost and erased from the history books, he has suddenly returned, crash-landing in the Australian Outback. The few that have been able to reach him believe him to be a deity -- one who turned the scorched desert into a lush oasis. They say he can bend matter, space, and even time to his will. Earth is about to meet a new god. And he's a communist. How long can it be before the first confrontation between mankind and DIVINITY begins?

SPONGEBOB COMICS #50

United Plankton Pictures

♪Who lives in a pineapple under the sea?♪
♪Absorbent and yellow and celebrating an anniversary?! ♪

This November, United Plankton Pictures celebrates *Spongebob Comics* #50, a milestone issue with a fantastic assortment of stories!

As a kid growing up watching *Spongebob Squarepants*, I always loved the wide ranging and eclectic cast of characters surrounding Spongebob. One of the things that *Spongebob Comics* does so well is take those crazy characters and boil down what really makes them special. To commemorate the 50th issue achievement, *Spongebob Comics* is jam packed with tales by amazing cartoonists telling heartfelt stories of all your favorite underwater friends.

Putting a unique spin on Bikini Bottom, we are treated to amalgamations of the Spongebob universe characters – Spongepat, Sandy Star, Plankton the Snail – they're all here and mashed up in this wild story. Within the issue, we are also treated to a not-to-be-missed look into the life of the aged Spongebob Oldpants.

Reaching a fiftieth consecutive issue in the modern comic market is no easy feat. As a dependably fun series that delivers all-ages stories every month, make sure that you add this one to your pull list!

Ōoku
THE INNER CHAMBERS

In Edo period Japan, a strange new disease has begun to prey on the country's men causing the male population to fall by seventy-five percent. Women have taken on all the roles traditionally granted to men, even that of the shogun. The men, precious providers of life, are carefully protected. And the most beautiful of the men are sent to serve in the shogun's Inner Chamber...

ANI-IMO VOLUME 5 GN

(W/A/CA) Haruko Kurumatani

A hilarious gender-swapping comedy with a forbidden twist! Quite by accident, Youta and Hikaru have finally returned to their original bodies. It should be a happy event, but just because they've reverted back to normal doesn't mean their brother-sister relationship can so easily return to the way it once was. Hikaru is adamant not to lose the momentum she's gained over the past few weeks, but Koizumi is equally resolved to see Hikaru as only his sister. Now that she's back in her own body and not his, though, it's impossible for him not to notice how attractive the whole Hikaru really is! (STK684634) (C: 0-1-0)

A BRIDE'S STORY VOLUME 7 HC

(W/A/CA) Kaoru Mori

A slice-of-life tale about a twenty-year old bride who marries a twelve-year old boy in 19th-century Asia. As Mr. Smith continues his journey to India, he is welcomed into the home of a wealthy tradesman and his wife, Anis. Custom dictates that, as a woman, Anis is not permitted to meet their visitor face-to-face, but even so, she counts herself blessed to live in such a beautiful estate and be married to a man who devotes himself solely to her. Still, one cannot help but long for the companionship of another person when one's closest friend is a reluctant Persian cat. In her loneliness, Anis visits the public bath house and discovers a place where she feels immediately free among her fellow sisters. Are you Alice?

ARE YOU ALICE? VOLUME 10 GN

(W) Ikumi Katagiri (A/CA) Ai Ninomiya

A twist on *Alice's Adventures in Wonderland* in which "Alice" is a boy whose "adventures" more closely resemble a gunfight! When Lewis Carroll took in a little black cat for Alice Liddell, he most likely never imagined that it would be the sole witness to his final throes of madness. Nor could he have fathomed just how much a cynical alley cat could make of his discarded characters. So spins the tale of how the Cheshire Cat came to be — and how he may yet come to be Lewis Carroll's undoing. PRISON SCHOOL VOLUME 2 GN

(W/A/CA) Akira Hiramoto

Will the hole in the wall that Kiyoshi and Gackt have been digging to aid in their prison break lead to a hole in Kiyoshi's heart instead? The daring duo was prepared to risk it all to make Kiyoshi's sumo dream date with Chiyo happen, only to discover that the exit they'd been working so hard on was filled in by the Chairman! But that won't be enough to keep a hormonal teenage boy at bay! Kiyoshi, desperate to make this date a reality, escapes in disguise — as a girl! But when Chiyo finds out, the date quickly devolves into a downward spiral! And to make matters worse, the vice president is about to discover Kiyoshi's little scheme too! (STK684650)

Tart presses onward in her quest to reach the Dauphin, the disinherited heir of France, and help restore him to the throne and thus her country to a state of peace. Her reputation as a fearless warrior and bringer of light has drawn loyal supporters who would stand and fight against England and the Duke of Burgundy. Tart's power grows, both as a beacon of hope and as a magical girl, but a country girl cannot hope to wield such power without facing opposition and consequences! (STK684649) (C: 0-1-0)

FUBAR: MOTHER RUSSIA TP

Alterna Comics

FUBAR: Mother Russia is the newest incarnation of the undead military thriller from Alterna Comics by writer Jeff McComsey. The *FUBAR* series takes a gruesome look at the carnage that a horde of undead zombie soldiers could bring to the table in WWII's European and Pacific theaters and even gives us a chance to see America's founding fathers put some zombies back into the dirt.

With *Mother Russia*, Jeff McComsey is bringing the undead to one of the bloodiest battles of World War II — the battle of Stalingrad. Including soldiers and civilians that were killed, wounded or captured, Wikipedia notes that there were an estimated 1.9 million casualties during the course of this battle. With the living undoubtedly outnumbered by the dead at what point, does the remaining human resistance look less like an organized army and more like an open buffet?

In this graphic novel we follow famed Soviet sniper Svetlana Gorshkov. Holed up in a tower and surrounded by the undead, she spies a small child through her rifle's scope. Unable to simply watch through her scope as the child is devoured by zombies she rushes to his side. Be sure to pick up *FUBAR: Mother Russia* from Alterna Comics this November to see if Svetlana can rescue the boy and escape the trenches or if she continues the war as one of the living dead.

H.R. GIGER: MYTHOLOGIES FOR THE FUTURE HC

(W/A/CA) H. R. Giger

Swiss artist HR Giger (1940–2014) is most famous for his creation of the space monster in Ridley Scott's 1979 horror sci-fi film *Alien*, which earned him an Oscar. In retrospect, this was just one of the most popular expressions of Giger's biomechanical arsenal of creatures, which merged hybrids of human and machine. These images gave expression to the collective fears and fantasies of his age: fear of the atom, of pollution and wasted resources, and of a future in which our bodies depend on machines for survival. This huge monograph pays homage to Giger's unique vision. It shows the complete story of his life and art, his sculptures, the film works and iconic album covers as well as the heritage he has left us in his own artist's museum and café in the Swiss Alps. THE LITTLE BOOK OF PIN-UP: DRIBEN SC

(W) Dian Hanson (A/CA) Peter Driben

His name is less familiar than Vargas' and Elvgren's, but his brilliantly colored voluptuous pin-ups are well known. From 1944 to 1955 he painted the most popular magazine covers in America for *Beauty Parade*, *Wink*, *Titter*, *Eyeful*, *Flirt*, and *Whisper* magazines. He was rediscovered in the 1990s as the subject of Taschen's *The Best of American Girlie Magazines*, and since has decorated T-shirts and coffee mugs, album covers and tattooed tushes. Now his many fans can have over 200 of his original paintings and published covers, from the beginning to the end of his prolific career, in a light, portable and affordable edition. (STK685584)

THE LITTLE BOOK OF PIN-UP: ELVGREN FLEXICOVER

(A/CA) Gil Elvgren

He's called the King of Pin-up for good reason. Gillette Elvgren, known as Gil, created some 700 pin-up oils during his long career, more than any other calendar artist. His subjects were flirty, sassy, playful and spirited, quintessential American girls who found themselves unintentionally exposed in myriad ways. His works have been the subject of top selling Taschen books and calendars, and now 200 of his best are available in a compact package perfect for gifting-to oneself and others. From his first mid-30s paintings to his very last, it's all here, more portable and affordable than ever! (STK685585) (C: 0-1-0)

THE LITTLE BOOK OF PIN-UP: VARGAS FLEXICOVER

(A/CA) Alberto Vargas

Alberto Vargas took over *Esquire* magazine's monthly pin-up post in late 1940. By 1942, when the U.S. joined the war, he had more than a million ardent fans who carried his pin-ups in backpacks and duffel bags as reminders of the American girls they'd left behind. When *Esquire* was charged with obscenity over a particularly spicy pin-up the military stepped in the fight for The Vargas Girl, declaring her necessary for morale. Today these wartime pin-ups are the most collectible of Vargas' work, and we've collected them all in this compact, affordable 192-page volume. (STK685586) (C: 0-1-0)

The X-Files FAQ explores Chris Carter's popular 1990s science-fiction TV series, which aired on Fox for nine seasons and inspired spin-offs, including feature films, TV shows, toys, novels, and comic books. The book explores the series in terms of its historical context and analyzes how many of the episodes tackle the events of their time: the Clinton era. *The X-Files FAQ* also tallies the episodes that are based on true stories, selects touchstone moments from the almost decade-long run, and organizes the series by its fantastic subject matter — from serial killers to aliens, from prehistoric menaces to ethnic and religious-based horrors. BEAT GIRLS, LOVE TRIBES AND REAL COOL CATS
Pulp Fiction and Youth Culture from the 1950s to the 1980s

BEAT GIRLS, LOVE TRIBES, AND REAL COOL CATS: PULP FICTION AND YOUTH CULTURE 1950-80 SC

As the young created new styles in music, fashion and culture, pulp fiction followed their every step, hyping and exploiting their behavior and language for mass consumption. Boasting wild covers and action-packed plots, these books reveal as much about society's desires and fears as they do about the subcultures themselves. Featuring over 300 pulp covers, many never before reprinted, as well 70 in-depth author interviews and biographies, articles and reviews, *Beat Girls* offers the most extensive survey of the era's mass market pulp fiction. THE WEED WHISPERER: A DOONESBURY COLLECTION HC

(W/A/CA) G. B. Trudeau

What a long, strange strip it's been! Two centuries after the Founding Fathers signed off on happiness, Zonker Harris and nephew Zipper pull up stakes and head west in hot pursuit. The dream? Setting up a major grow facility outside Boulder, Colorado, and becoming bajillionaire producers of "artisanal" marijuana. Elsewhere in Free Agent America, newlyweds Alex and Toggle are struggling. Twins Eli and Danny show up during their mother's MIT graduation, but a bad economy dries up lab grants, compelling the newly minted PhD to seek employment as a barista.

ALIEN: XENOMORPH EGG SET IN COLLECTOR CARTON

From the terrifying *Alien* movie series, this set includes 6 Xenomorph eggs and 3 facehuggers with bendable tails. Sourced directly from LV-426, where Xenomorphs are allowed to roam freely without being confined to cramped cages, these eggs make great diorama pieces, since they're perfectly in scale with NECA's line of 7" figures – and for collectors, the full-color egg carton is designed to be eminently display-worthy. (STK685657) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in October 2015. (6338/51365) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

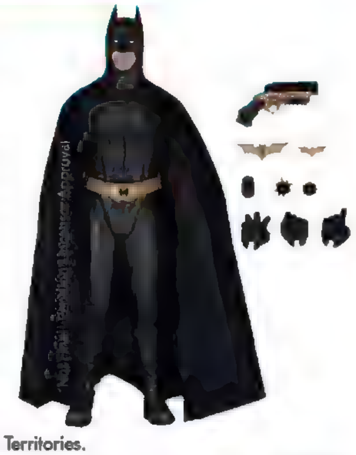
BATMAN

BATMAN BEGINS 1/4-SCALE ACTION FIGURE



Batman Begins marks its 10th-anniversary this year, and NECA commemorates the occasion with an impressive new 1/4-scale action figure based on Christian Bale's portrayal of the Dark Knight. Batman stands over 18" tall and features an authorized likeness, a soft fabric cape and movie-accurate detail (like the hidden compartment in his boot heel that stores a sonar signaling device). The figure is loaded with accessories, including grapnel gun, large hinged Batarang, small Batarang, open and closed mines, sonar communicator and two pairs of hands. Window box packaging. (STK687890) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in November 2015. GAME OF THRONES

SPOTLIGHT ON

GAME OF THRONES: WINTERFELL MINI REPLICA

The ancestral home of House Stark. Located in the North of Westeros on the Kingsroad, Winterfell is a large castle complex with formidable fortifications and its own Godswood. According to legend, House Stark held Winterfell for over 8,000 years, before House Bolton usurped them and took up residence in the aftermath of "the Red Wedding." The Winterfell seen on-screen in HBO's *Game of Thrones* is an amalgam of several real-world locations and CGI artistry, seamlessly blended to create one of the series' most enduring locations and what appears to be a very real castle. To create a desktop version of this fan-favorite bastion, Factor Entertainment spent over 1,000 hours tirelessly researching every frame of the show in which Winterfell is seen, photographs of the real world locations were also scrutinized and concept drawings and architectural plans were created to help bring it to life. This piece is cast from heavyweight holystone and captures Winterfell as a stunningly detailed desktop environment. Winterfell is a numbered limited edition of 1,500 pieces and includes a presentation box and Certificate of Authenticity. DC COMICS VARIANT PLAY ARTS KAI: BATMAN STEAMPUNK FIGURE

From Square Enix. Square Enix's dream team of designers, sculptors, and engineers has each poured their heart and soul into creating the original designs of the *Variant Play Arts KAI* figures. Through generations, there has always been a force of justice that agents of crime, chaos, and evil have contended with. Every incarnation of Batman that existed throughout time stood as a beacon of hope and a reflection of the age it is a part of. Inspired by the fantastic sci-fi subgenre of steampunk, the *Variant Play Arts KAI "Timeless"* series welcomes a new *Batman* to the fold. His Batsuit, with many design aspects inspired by turn of the century steam powered technology, offers a design that transcends time and space. Fine sculpting and paintwork, as well as careful consideration of the materials used, elevate the unique texture of steam-powered technology's functional beauty. For example, multiple gears and cogs can be seen through a transparent piece in the chest armor, and burnished bronze metallic color is used throughout. This figure has a dignified, almost classical aura, emphasized by a five-layer structure of the cape which hearkens back to designs by da Vinci. The technical machinery would not be out of place in an 1890s Batcave, and the gaslamp atmosphere evoked by the design is a perfect match for the Dark Knight. Figure also includes display stand and interchangeable hand parts. (STK687646) Scheduled to ship in January 2016. HATSUNE MIKU PLAY ARTS KAI TETSUYA FIGURE

From Square Enix. Now presenting: the miraculous collaboration between *Hatsune Miku*, Japan's world-famous digital diva, and Tetsuya Nomura, the character designer respected for his work on the *Final Fantasy* Series and *Kingdom Hearts*! Hatsune Miku was born as a virtual idol: a digital, visual personification of "Vocaloid," a system that allows users to synthesize vocals by matching typed lyrics with a digitally generated melody. In this new design, Hatsune Miku has been given a realistic appearance in Testuya Nomura's signature style. She retains her singular charm in her trademark pigtails, headset, and uniform, but she also wears a unique expression on her girlish face, and the glimmer in her eyes hints at both a maturity and youthful energy. Figure also includes display stand, interchangeable hand parts and accessories. (STK687640) Scheduled to ship in January 2016. YOUR LIE IN APRIL: KAORI MIYAZONO 1/8-SCALE PVC FIGURE

From Good Smile Company. From the popular anime series *Your Lie in April* comes a 1/8-scale figure of *Kaori Miyazono.* The figure is based on an illustration drawn by the original creator of the series, Naoshi Arakawa. It captures the normally energetic Kaori with a slightly uncertain smile on her face. The violin she holds in her arms has been intricately sculpted and based on a real violin. Careful attention has been given to even the smallest parts of the accessories and details of her clothes to create a figure of Kaori that fans will be proud to own. (STK687973) Scheduled to ship in February 2016. (6817/4571368442536) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

FEATURED ITEM

MARVEL UNIVERSE VARIANT PLAY ARTS KAI: VENOM FIGURE

From Square Enix. Venom is iconic as both a villain and a rival to his heroic web-slinging counterpart, Spider-Man. Venom is a symbiotic relationship incarnate: a human host co-existing with a sentient alien parasite, appropriately called a "symbiote." This figure portrays the ominous presence of Venom through his hulking physique, his toxic color scheme, the web-like patterns stretched across his skin, and his ghoulish, sprawling tongue. The contrast of matte and glossy textures in the paintwork, along with his realistically grotesque maw make him a truly impressive figure. This figure's range of motion is unlike any living creature on earth, and can be posed in wild, contorted ways. Accessories include effect parts that show symbiote appendages reaching out like massive hands, showcasing and accentuating his extraterrestrial qualities. Figure includes display stand. (STK685440) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in November 2015. (1089/66224881647) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

FEATURED ITEM

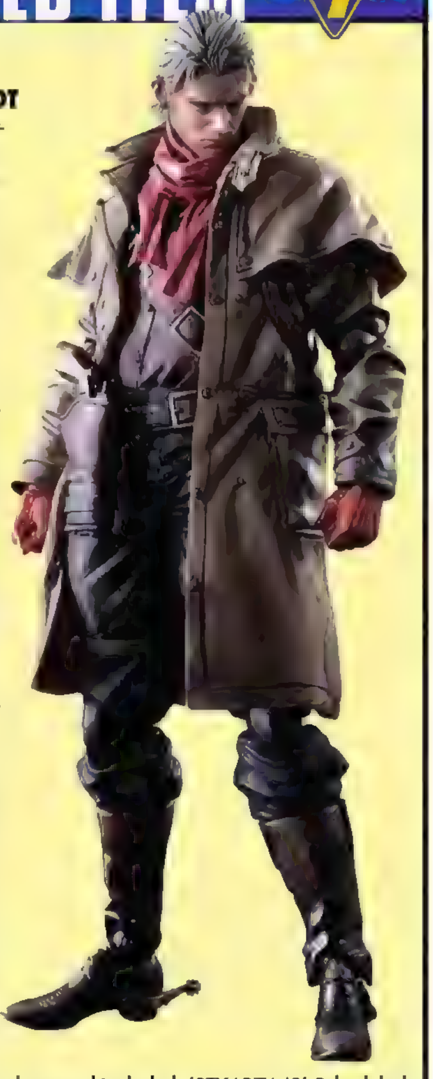
METAL GEAR SOLID V: PHANTOM PAIN PLAY ARTS KAI: OCELOT



From Square Enix. Revolver Ocelot, the longtime rival of the protagonist Snake, has been reproduced as a Play Arts KAI! His favorite hobby is watching Spaghetti Westerns, and to match that gun-slinging image he carries two revolvers which can be holstered in this figure. In *Metal Gear Solid V: The Phantom Pain* he also appears with spurs on his boots, another nod to his passion. When rendering this figure, the artists were careful to reproduce the color and texture of the leather on his coat and gloves realistically. As with all the figures produced in the *Metal Gear Solid V* series, softer plastic was used around the jointing to create increased flexibility and poseability. This figure's accessories include his two revolvers, exchangeable hand parts so that he can hold his guns, and exchangeable head parts (so he can be shown with his sunglasses either on or off). This figure is one that can truly recreate any moment from the game! Display stand included. (STK687643) Scheduled to ship in November 2015. (1089/662248815534) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

DC COMICS
LEX LUTHOR ARTFX+ STATUE

The latest DC Comics ARTFX+ Statue from Kotobukiya returns to the pages of the New 52 with one of comics' most famous villains of all-time, LEX LUTHOR! At his most dangerous Lex dons a fearsome armored battlesuit packed with cutting edge technology, and that's exactly how he's presented in a fantastic new ARTFX+ Statue kicking off the Villains Forever series! He appears here just as he did in the comics, ready to take on any threat to his world domination. Luthor releases his inner fury in a tensed pose, legs bent and fists held up as he's ready to strike. Lex's resplendent metallic green and purple battlesuit covers his whole body except for his head, and is highly detailed with panels, overlapping plates, reinforced joints, his personal logo on his chest armor and more. Sculpted by Ikkei Jitsukata, Lex Luthor stands just under 8 inches tall (in the ARTFX+ 1/10th scale) and like all ARTFX+ statues he has magnets in his feet for extra stability on his included display base. Lex looks great in his shiny, high tech battlesuit and is a perfect addition to any villain or hero display; just don't let him get too close to Superman!

WARHAMMER 40K: DEATHFIRE TP

(W) Nick Kyme

Vulkan lies in state beneath the Fortress of Hera, and yet many of his sons still refuse to believe that he is truly dead. After a seemingly miraculous rescue by the Ultramarines, Artellus Numeon urges the other Salamanders on Macragge to leave Imperium Secundus and return their primarch's body to the home world of Nocturne, there to be reborn in the flames of Mount Deathfire. But Numeon grapples with his doubts and fears for the future of the Legion, while their foes seek to carve out new destinies of their own. (STK687742) (C: 0-1-2)

WARHAMMER 40K: KILLING GROUND SC

(W) Graham McNeill

The Ultramarines are the epitome of a Space Marine Chapter. Warriors without peer, their name is a byword for discipline and honor, and their heroic deeds are legendary. Returning to the Imperium after completing a deadly mission in the heart of the Eye of Terror, Ultramarines exiles Uriel Ventris and Pasanius find themselves on a war-torn world where warp-tainted rebels hold the balance of power. As the pair of Space Marines try to save the planet from the Ruinous Powers, they find that they themselves are suspected of being in league with the Dark Gods, and their chances of a triumphant return to their Chapter look bleak. SAMURAI BOARD GAME

Samurai is a classic tile placement game by Reiner Knizia and set in feudal Japan. Two to four players assume the roles of ambitious *daimyo* competing for control of the nation. To rise above your rivals and influence the nation's cities and villages to your cause, you must prove you can lead their people. Through the strategic placement of tiles, you can establish your sway over lesser lords, the production of rice, and the region's religious leaders. This edition of *Samurai* maintains the game's original mechanics while updating it with beautifully sculpted game pieces, new leader tokens to aid in scoring, and all-new art and graphic design that draw upon traditional Japanese styles. THE GAME CARD GAME

Are you ready to play *The Game*? Nominated for the 2015 *Spiel Des Jahrs* (Game of the Year), players in *The Game* must work together to play cards into one of four different piles, in hopes of discarding all 98 cards. The catch is that players are not allowed to tell anyone else what cards they have, which puts players constantly on edge in fear that each card played could upset their own best-laid plans! *The Game* is a co-operative card game for 1-5 players. V-WARS: BLOOD & FIRE BOARD GAME

Designed by Rob Daviau (*Betrayal at the House on Haunted Hill, Risk: Legacy*), *V-Wars* pits human-kind against vampires in an all-out global war. Scarier still, our most steadfast allies could change sides at any time, because this new breed of vampirism is spread not by bite but by virus, activating junk DNA in its victim, and converting them to vampire. Battle to save the world, but be careful, players who fight by your side in one round may be at your throat in the next, because in *V-Wars*, the virus is always spreading. (STK687776) (C: 0-1-2)

LOONEY LABS

RETRO LOONACY CARD GAME

Retro Loonacy is a neato, rapid-fire game where players race to be the first to empty their hand by matching one of two images with the images on the open piles in front of them. *Retro Loonacy* has an out-of-sight design, featuring nostalgic images of times gone by. It's easy enough to teach in a single sentence, and so addictive you can't play just one game. Speed of the hand and luck of the draw determine the winner in this frenzied free-for-all! It's a gas! (Betrayal at the House on Haunted Hill, Risk: Legacy)

V-Wars pits humankind against vampires in an all-out global war. Scarier still, our most steadfast allies could change sides at any time. This new breed of vampirism is spread not by bite but by virus, activating junk DNA in its victim, and converting them to vampire. In *V-Wars*, you'll have to carefully balance your strategy between military and political power and even public support; all while your allies grow more and more untrustworthy. Players who fight by your side in one round may be at your throat in the next because in *V-Wars*, the virus is always spreading.

WILL EISNER: CHAMPION OF THE GRAPHIC NOVEL

Abrams Comic Arts

When you think of comics and storytelling, one of the first name that pops into your head should be Will Eisner. Eisner is considered by many the modern day creator of the graphic novel with the Baronet edition of *A Contract with God and Other Tenement Stories.* With my introduction to the Spirit in Jules Feiffer's *Great Comic Book Heroes*, I knew I had to find *Spirit* comic books. Atlanta was not the easiest place to find back issues, but thanks to Harvey's issues of *The Spirit* I could finally see what made Eisner the dean of comic book storytellers.

Paul Levitz, who's proven his comic historian credentials with Taschen's *75 Years of DC Comics*, has written *Will Eisner: Champion of the Graphic Novel*. This book is a tribute that celebrates Eisner and his important contribution to the comic book industry from the early studio days and *The Spirit* on to the twenty plus original graphic novels from his first, *Contract with God* to *The Plot: The Secret Story of The Protocols of the Elders of Zion*, the last graphic novel produced prior to his death.

Will Eisner: Champion of the Graphic Novel also features an introduction by novelist and comic book author Brad Meltzer. This book featuring unpublished and rare art, photographs, letters, and sketches from the archives. It also contains original interviews with creators such as Jules Feiffer, Art Spiegelman, Scott McCloud, Jeff Smith, and Neil Gaiman.

This book from Abrams ComicArt is another fine addition to their line of books which includes *Kirby: King of the Comics*, *Out of Line: The Art of Jules Feiffer*, *The Art of Harvey Kurtzman*, and *PS Magazine Best Preventive Maintenance Monthly* featuring work by Eisner and his studio.

This will be a great book to add to the book shelves next to the DC and Dark Horse *Spirit Archives*, the WW Norton Eisner library, as well as my other books on Eisner like *Will Eisner: A Dreamer's Life in Comics*, *Will Eisner: A Retrospective MOCCA*, *Will Eisner: A Spirited Life*, and *The Will Eisner Companion*.

MOTH3R RUSSIA

FUBAR: MOTHER RUSSIA TP

Alterna Comics

FUBAR: Mother Russia is the newest incarnation of the undead military thriller from Alterna Comics by writer Jeff McComsey. The *FUBAR* series takes a gruesome look at the carnage that a horde of undead zombie soldiers could bring to the table in WWII's European and Pacific theaters and even gives us a chance to see America's founding fathers put some zombies back into the dirt.

With *Mother Russia*, Jeff McComsey is bringing the undead to one of the bloodiest battles of World War II — the battle of Stalingrad. Including soldiers and civilians that were killed, wounded or captured, Wikipedia notes that there were an estimated 1.9 million casualties during the course of this battle. With the living undoubtedly outnumbered by the dead at what point, does the remaining human resistance look less like an organized army and more like an open buffet?

In this graphic novel we follow famed Soviet sniper Svetlana Gorshkov. Holed up in a tower and surrounded by the undead, she spies a small child through her rifle's scope. Unable to simply watch through her scope as the child is devoured by zombies she rushes to his side. Be sure to pick up *FUBAR: Mother Russia* from Alterna Comics this November to see if Svetlana can rescue the boy and escape the trenches or if she continues the war as one of the living dead.

SPONGEBOB COMICS #50

United Plankton Pictures

♪ Who lives in a pineapple under the sea? ♪ ♪ Absorbent and yellow and celebrating an anniversary?! ♪

This November, United Plankton Pictures celebrates *Spongebob Comics* #50, a milestone issue with a fantastic assortment of stories!

Growing up watching *Spongebob Squarepants*, I always loved the wide ranging and eclectic cast of characters surrounding Spongebob. One of the things that *Spongebob Comics* does so well is take those crazy characters and boil down what really makes them special. To commemorate the 50th issue, *Spongebob Comics* is jam packed with tales by amazing cartoonists telling heartfelt stories of all your favorite underwater friends.

We are treated to amalgamations of the Spongebob universe characters – Spongepat, Sandy Star, Plankton the Snail – they're all here and mashed up in this wild story. Within the issue, we are also treated to a not-to-be-missed look into the life of the aged Spongebob Oldpants.

As a dependably fun series that delivers all-ages stories every month, make sure that you add this one to your pull list!

SKY DOLL HC

Titan Comics

Fans of *Blade Runner*, *The Fifth Element*, and old-school 2-D animation, rejoice! Classically-trained Disney illustrators and artists Barbara Canepa & Alessandro Barbucci have brought their independent sci-fi space opera graphic novel to Titan Comics!

A rocket-romp across planets and satellites, *Sky Doll* tells a tale of ethics, religion, and adult toys. We flee across the stars with Noa, an android built for pleasure, and two at-times-devout missionaries. In pursuit are both factions of a warring church, seeking to either to enshrine/enslave or destroy/discredit Noa, who, despite being a wind-up lady-of-the-night, keeps performing public miracles. The trio are continually tested in friendship and in character: no portion of their religious or secular prior experiences has prepared them for the split-second decisions they face.

Sky Doll is a thrilling read and easily satisfies the tech & fantasy reader, and it invites re-reading and consideration as well. Not just a sexy-sparky story, *Sky Doll*, like Noa herself, yearns to make a deeper point, to open further discussion, and to bring thought to bear on a spiritual topic that deserves examination.

RETURN TO TUBE LAND!

AS SEEN ON TV

In the 1950's and 1960's, no one did TV comics better than Dell and Gold Key. These two publishers had the market cornered for licensed TV properties in comics back then. Between them, they adapted hundreds of TV series, both live-action and animated, and although their interiors weren't always the best, their covers (which often did not reflect the issue's content) were always colorful and well-designed, especially Gold Key, who excelled at mixing eye-catching colors with photos and design.

So in keeping with this month's AS SEEN ON TV theme, we present this gallery of classic covers to TV shows some of our younger readers have probably never heard of!
